GOLD AWARDS OF EXCELLENCE – GOLD AWARD

Our landscaping service provider CSG, previously known as FSG, was recently awarded the **Gold Award** by the South African Landscaping Institute (SALI) for our clubhouse gardens.

Founded in 1984, SALI was established to foster professionalism and unity within the South African landscaping industry. Since 1987, the SALI Awards of Excellence have served as the premier benchmark for world-class landscaping. These awards are not a beauty pageant; they are a bi-annual audit of a contractor's commitment to the "SALI Standard"—a set of strict specifications that govern every shovel turn and plant choice on a project. According to John van Deventer CSG Director: Operations, a SALI award is more than just an award – it's a rigorous validation of technical mastery and environmental stewardship.

EAGLE CANYON GYM: CHALLENGE YOURSELF!

Growth happens when you step beyond what's familiar. This week, challenge yourself to try something new! Whether it's a **personal training session, a Pilates class, or a workout you've never considered before.** A fresh approach can reignite your energy, boost your confidence, and help you see winter training in a whole new light.

Winter isn't the season to slow down, it's the season to level up. By trying something different, you'll keep your training exciting, discover new strengths, and stay inspired when others are pressing pause.

This week, say yes to the challenge, embrace the discomfort, and see just how far you can go. Start your winter transformation today!

BGA GOLF ACADEMY: YOUNG GUNS CAMPAIGN

Grip Basics

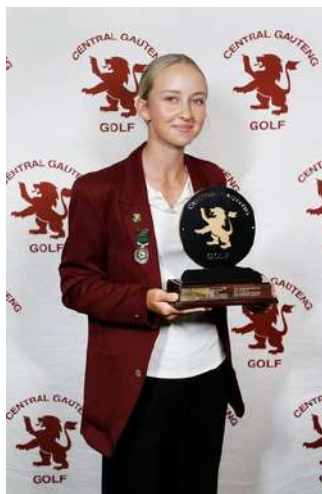

Every good golf swing starts with the grip. At Young Guns, we teach children how to hold the club correctly from the beginning, in a simple and fun way. This helps them build better control, better habits, and more confidence. A strong foundation now can prevent bad habits later.

Young Guns at BGA Golf Academy, Eagle Canyon is ideal for beginner children who want to start golf the right way. Book a free intro session today.

WHAT YOU NEED TO KNOW: SECURE ACCESS

A reminder that our new estate management and access control system is in process of being implemented. The new system uses facial recognition technology to identify registered residents as they approach the gate. Once verified, access will be granted automatically. The system will also integrate with vehicle registration information, providing an additional layer of security and convenience.

This is an exciting advancement for Eagle Canyon and introduces a range of new features that will improve security, visitor management, access control, and overall operational efficiency. Additional features and benefits will be communicated as they are introduced.

Download the new Secure Access App

Residents are requested to download the Secure Access application, available on the Apple App Store (<https://apps.apple.com/za/app/secure-access/id6748218376>), Google Play Store (https://play.google.com/store/apps/details?id=za.co.secureaccess&hl=en_ZA), and Huawei App Gallery.

When you register, you will be asked to take a photo of yourself. Please use a white or light background and move the phone closer to your face until the white camera button appears. You will be asked to do a secondary photo as well. If you wear glasses, it is suggested you take the first image without glasses and the second with glasses.

Please note that currently we are running both systems with the changeover complete by 1 July.

Should you have any difficulties, such as the app not recognising your contact number, please contact HOA on 011 795 2799, secadmin@echoa.co.za, admin@echoa.co.za, bioaccess@echoa.co.za or estatetransgressions@echoa.co.za for speedy assistance.

As the HOA continuously strive to improve our offering – we have implemented a **new service** to assist with regards to any concerns or complaints that you may have on the estate.

Step 1: WhatsApp San Naidoo on 072 377 5655; with your name, stand number and complaint (please include photos where necessary).

Step 2: The resident will receive an affirmative response that the complaint has been received and shared with the relevant department head or team member via email

Step 3: A response from the relevant department head or team member will be communicated back to the resident within 24 hours.

Please note, there may be some delays for messages received after hours and on weekends.
