St. John Neumann Roman Catholic Church

Electronic Giving Program

The Safe, Secure, Confidential, and "Green way"

St. John Neumann invites you to consider our monthly electronic giving program for a safe, secure, confidential, and a "green way" to automate your offering to support our parish and our parish programs.

Electronic Giving is a safe, secure, and confidential way to provide consistent financial support to Saint John Neumann. There is no cost for you to participate. And when travel, illness or other circumstances prevent you from attending mass, this program will allow your monthly offering to continue uninterrupted.

Electronic donations can be made either through your checking or savings account. For your financial protection, electronic payments are overseen and protected under Federal Reserve regulations. If a problem occurs it is easy to resolve by calling the Parish Business Manager at 410-208-2956, extension 207.

Join the many parishioners who are using electronic giving and begin to experience the easy and convenient way of giving. So, get started today! Complete the enrollment form!

On the reverse side is the enrollment form you will need to complete to use the electronic giving program. Please complete and return the form along with a voided check in a sealed envelope marked "Confidential" addressed to Deacon David Kolesky, Business Manager, 11211 Beauchamp Road, Berlin, MD 21811 by mail or drop the envelope off at the Parish Business Office during parish business hours, Monday through Friday 10 AM to 2:30 PM.
