Please have the **Social Security numbers (SSNs)** and **dates of birth** of any new dependents available when completing your enrollment.

All employees are **REQUIRED** to login to UKG and review your benefit information. Now is the perfect time to ensure your contact information is up to date, including your address. It's also important to review and update your beneficiary information to ensure it reflects your current preferences. Please take a moment to make these updates in UKG before the enrollment period ends.
