

## Ready Mixed Concrete (RMC) Research & Education Foundation

**Early Bird Registration Deadline This Friday for Global Concrete Summit** - Don't miss your chance to save on your registration for the first-ever [Global Concrete Summit](#) by taking advantage of the early bird rate, which will allow you to save \$100 from the registration rate. You can save an additional 40% off registration by using the discount code RMCREF40.

Click [here](#) to register. To take advantage of the early bird rate, you must register by Friday, October 23rd. The program includes speakers from around the world and will feature Dr. Jeremy Gregory and Dr. Franz-Josef Ulm from the [Concrete Sustainability Hub \(CSHub\)](#) at the [Massachusetts Institute of Technology](#), who will share the CSHub's latest work on sustainable concrete research. For more information, please contact [NRMCA's Lionel Lemay](#) at [llemay@nrmca.org](mailto:llemay@nrmca.org).

**Online Driver Recruitment/Onboarding and Educational Resources Available** - Accessing online resources is more important than ever. Be sure to utilize the materials available from the Foundation's [YouTube](#) page, including a 30-second video, a 2.5-minute video and a 9-minute onboarding video as well as a 30-second radio spot and a 60-second radio spot. The new Plant Safety video, released earlier this year, is also available and provides guidance on all aspects of plant safety, appropriate for all who work in and around concrete plants. Additional tools and guides are also available for free download from the Foundation's [website](#).

**Q&A with Foundation Executive Director Featured at NRMCA's ConcreteWorks 2020 Virtual Conference** - NRMCA's 2020 ConcreteWorks Virtual Conference earlier this month featured a virtual Expo Hall, a variety of educational sessions, trivia contests and several informative Question & Answer (Q&A) sessions with industry representatives over the packed two days of the conference. If you missed the Q&A session with RMC Research & Education Foundation Executive Director Julie Garbini, you may view it from the Foundation's [YouTube](#).
