Attention: Mark Urick

Dear Mark:

Included is the 2023 Exempt Organization return, as follows...

2023 Form 990

2023 IRS E-File Signature Authorization for a Tax Exempt Entity (Form 8879-TE)

Please review the return for completeness and accuracy.

In addition, we have included a separate public disclosure copy of the Form 990 and Form 990-T (if applicable) on our secure portal site. All exempt organizations are required to have a copy of their current year Form 990 and two prior year returns available for public inspection. If the Form 990 includes a Schedule of Contributors (Schedule B), we have removed the names and addresses of contributors from this return, as this information is not open to public inspection. Only organizations exempt under 501(c)(3) must make the current year Form 990-T and two prior year returns available. Please print and sign the public disclosure copy(ies) and keep them available at your primary office location.

We prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

Many states require legal entities to register with them in order to do business in their state. Please remember to keep your registration active and current for each state where you have business activities.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax return.

Sincerely,

Brenda Ann Blunt, CPA, CGMA
