

## **INVITATION TO VENDORS**

### *Men's Health Fair*

The Anchorage Senior Activity Center (ASAC), in partnership with the Municipality of Anchorage Health Department (AHD), is excited to host our upcoming Health Fair on Wednesday, April 29th, 2026. This quarter's theme is **"Men's Health"**. The event is hosted at ASAC and is free and open to people of all ages. AHD will also be on-site, offering vaccines and testing services.

We are currently seeking vendors and organizations in the following areas:

- Men's preventive health and wellness screenings
- Nutrition for men's health and metabolic support
- Hormone health, testosterone balance, and aging-related changes
- Mental and emotional wellness for men
- Prostate, urinary, and pelvic health
- Reproductive, fertility, and sexual health support
- Testicular health education and screening resources
- Support groups for men (caregiving, grief, life transitions, chronic conditions)
- Resources for men navigating aging, midlife, and longevity-focused health changes
- Male-focused physical therapy, mobility, and injury prevention
- Men's sexual health and intimacy education
- Miscellaneous men's health, wellness or safety services or education

We're also offering short seminar slots for businesses interested in presenting a topic.

Lunch will be available for purchase from the Arctic Rose Café between 10:00 AM and 2:00 PM.

**Booth space is free.** Please only sign up for a booth if you're able to commit to staffing your table for the full duration of the health fair (10am to 3pm). It's been our experience that when one vendor starts packing up, the others follow, and those arriving for the last hour of the health fair miss out. Please note that vendors who depart early may not be invited to participate in the future. Thanks for your understanding.
