

INVITATION TO VENDORS

Fall Health Fair

The Anchorage Senior Activity Center (ASAC), in partnership with the Municipality of Anchorage Health Department (AHD), is excited to host our upcoming Health Fair on Wednesday, October 21, 2026. This quarter's theme is "**Mental Health & Natural Medicine**". The event is hosted at ASAC and is free and open to people of all ages. AHD will also be on-site, offering vaccines and testing services.

We are currently seeking vendors and organizations in the following areas: mental health services and counseling, meditation and stress reduction, herbal and natural medicine, naturopathy and holistic health, brain-healthy nutrition and supplements, sleep and relaxation support, gentle movement (tai chi, yoga, breathwork), acupuncture, reiki, and energy therapies, art, music, and creative therapies, grief support and caregiver resources. We're also offering short seminar slots for businesses interested in presenting a topic.

Lunch will be available for purchase from the Arctic Rose Café between 10:00 AM and 2:00 PM.

Booth space is free. Please only sign up for a booth if you're able to commit to staffing your table for the full duration of the health fair (10am to 3pm). It's been our experience that when one vendor starts packing up, the others follow, and those arriving for the last hour of the health fair miss out. Please note that vendors who depart early may not be invited to participate in the future. Thanks for your understanding.
