# Saint Monica and Saint Augustine

Patron saint of mothers and Doctor of the church

August 27 and 28 (Feast days; combined novena: Aug 18 to 27)

**Saint Monica** was born in the 4th century, had three children, one of which is **Augustine of Hippo**, and fervently prayed for seventeen years for his conversion. **Saint Monica** is known as the **patron saint of mothers** and produced a son, **Saint Augustine**, who is one of the most brilliant philosophers and well-known saint of all time - formally recognized as a **doctor of the church**. According to Pope Benedict XVI: "Augustine himself was to say, his mother gave birth to him twice; the second time required a lengthy spiritual travail of prayers and tears, but it was crowned at last with the joy of seeing him not only embrace the faith and receive Baptism, but also dedicate himself without reserve to the service of Christ."

Brian Marston, Grand Knight of the Knights of Columbus Council #9714, writes, "we would like to thank our parishioners for their generosity. The Knights of Columbus was able to raise \$1,000.00 from parishioners and council members on July 31. The fund supports people with intellectual disabilities. We will be holding another ID (intellectual disability) drive in October. Our goal this year is to exceed \$2,000."
