October 9: Twenty-eighth Sunday in Ordinary Time

In today's Gospel we hear that only one of those healed returned to glorify God and to give thanks to God. It is true, that when we have a grateful heart, we know that everything is a gift from God.

To give thanks for all that God has given to you, have you considered answering the call to help serve the poor by joining the Society of St. Vincent de Paul?

VOTE "NO" ON PROPOSITION 1. Proposition 1 is a worst-case scenario for abortion in California. It is an expensive and misleading ballot measure that allows unlimited late-term abortions — for any reason, at any time, even moments before birth, paid for by tax dollars. Prop 1 isn't needed. Sadly, California already has some of the most permissive abortion laws in the nation that would remain in effect without the amendment, including our current limit on late-term abortions that are permitted only for the life and health of the mother. Prop 1 destroys this limit. California does not limit state spending on abortion, and with thousands more traveling from other states, the cost will be in the hundreds of millions. Don't hand lawmakers a blank check to pay for abortions, and don't let them make California an "abortion sanctuary." To learn more, visit sfarchdiocese.org/noonprop1.

"Praise the Lord who lifts up the poor."

Saint Augustine, a stewardship parish, and the Knights of Columbus Council 9714 have come together once again to support the two-weekend Hygiene and Snack Kits Collection Drive for the Homeless. Many Homeless and Low-Income people lack hygiene items due to affordability, which means they need everything from soap to toothpaste to new socks. By providing hygiene items and snacks for our brothers and sisters in need, we will be assisting them with equal access to basic personal care and hygiene items. Through our participation, we help to increase awareness about the homeless and their needs by teaching our children ways to help the poor and by extending the outreach to our families and friends outside of our parish. It also gives us an opportunity to rally individual parishioners, Catechists and families of the Faith Formation Program, and several parish ministries to participate in this outreach. We want to thank our Pastor Fr. Raymund M. Reyes, the Parish Staff and Clergy, the Service Commission, and everyone who contributed in any way—in-kind and/or monetary donations, volunteering time to receive the hygiene/snack items before and after Mass, sorting and making the kits. Collectively, we were able to donate to Catholic Charities a total of 1,400 Hygiene and Snack kits for both adults and children and monetary donations of \$2,200.00 which will benefit clients at the Bayview and Mission Access Points.

Local stewardship invites us to create bridges between parish communities and non-profit organizations that serve the most vulnerable populations.

Catholic Charities is one of the largest, non-profit, and most comprehensive human services agencies in Northern California reaching more than 60,000 people in San Francisco, San Mateo, and Marin Counties in 2021. They serve all people in need regardless of their religion, race, creed, or gender. They are an integral part of our communities and play a role in keeping our neighborhoods diverse, productive, safe, and healthy through more than 30 programs and social justice advocacy.

By partnering and collaborating with Catholic Charities, Saint Augustine Parish is able to make a difference directly in the lives of the individuals, families, children, adults, and seniors who benefit from their programs.

Blessing of the Animals was officiated by Fr. Ray Reyes on Sunday, Oct 2, 2022, 2:00 PM in the Parish Courtyard. This has become a tradition to honor St. Francis of Assisi, who lived in the 12th century. He is the patron saint of animals and the environment. It was an opportunity to celebrate our faithful companions who have been our source of joy and connection.
