Our Christmas Message To You

During this National Eucharistic Revival, Saint Augustine's Church is united with the Bishops of the United States on its three-year project to revive and foster Eucharistic devotion in parishes and the hearts of the faithful. This intensive undertaking was fueled by the need to increase among Catholics their belief in the Real Presence. Similarly, the height of the COVID-19 crisis forced churches to suspend public masses. Even though many of the faithful expressed renewed desire for the Eucharist, there is also a huge concern that some may lose the sense of the need for the Eucharist and not come back to regular mass attendance. Therefore, as a parish community, which has remained resilient in sustaining our Christian faith through our faithful worship and celebrations of the sacraments, let us prepare the coming of Christmas through a deepened understanding and a reinvigorated belief in the Eucharist. Let us remember, Christ's body on earth at Bethlehem was the same body which is now on earth in our tabernacles all over the world. The only difference is that now, the Lord's body is veiled underneath the species of bread and wine. The Blessed Sacrament is the continuation of Christmas. We owe the Blessed Sacrament to Bethlehem. With the Clergy and Staff of Saint Augustine's Church, rest assured of our continued prayers and desire to be of service to you and your families. Please find this as our way of appreciation of your faith and generosity and at the same time our invitation to celebrate the birth of our Lord Jesus this coming Christmas.

Sincerely,

*Father Ray, Father Ed, Father Martin, Deacon Nes, Deacon Virgil,
Patricia, Amor, Linda and Louis*

HELP SAINT AUGUSTINE GO GREEN

REDUCE, REUSE, RECYCLE

These three 'R' words are an important part of sustainable living, as they help to cut down on the amount of waste we have to throw away.

Step 1: REDUCE

Reduce the amount of waste you produce. Buy long-lasting products with minimal or no packaging to minimize the trash you generate.

Step 2: REUSE

Reuse items as much as you can before replacing them. Find another use for it, donate, or sell it. Bags, bottles, and boxes can be reused. Don't waste their value! **Consider using reusables instead of disposables.**

Step 3: RECYCLE

Recycle items wherever possible. **Separate your trash by type per City of So. San Francisco.**

PARISH GOALS

Help us achieve these goals:

- Comply with San Mateo Laws & Ordinances by sorting wastes smartly using the correct bins.
- Help the environment by reducing waste accumulation.
- Save money by decreasing monthly garbage service fees.
