## CHRISTMAS GIVING TREE: GIFT DONATION DRIVE

By Anthony Ramos

Thoughts and prayers are not quite enough this Christmas season, since it's nice to have material things that spark a little joy too! "That is in giving which we receive" - St. Francis of Assisi. You may have seen wooden angels hung on the tree by the church vestibule and may even have contributed gifts to elderly and youth in need. Wednesday morning, volunteers and the Service Commission loaded up two vans and more with nearly wrapped sweaters, toys, and gifts galore. Father Martin graced the gifts with a short prayer before setting off on our delivery. Our parish's recent efforts were delivered gracefully for Catholic Charities' wonderful Senior Adult Programs in San Francisco and San Mateo. If you ever have a chance to brighten someone's day with the littlest smile, go for it. A great lesson within our faith and bible is to go humbly to pursue a mission of gratitude. During this closure of the holiday and winter seasons, forget not the loved ones that are underappreciated as they are deserving as your kind brothers and sisters. We could not have done this without you!

## Thank You for your Service.

### "FROM VOLUNTEERING TO MINISTERING"

"Work willingly at whatever you do, as though you were working for the Lord rather than for people. Remember that the Lord will give you an inheritance as your reward, and that the Master you are serving is Christ." Colossians 3:23-24

Selfless contributions are the best and greatest assets of our parish community here at Saint Augustine. Our Ministers and volunteers generously dedicate their time and labor to running various charity programs, liturgical and para-liturgical services, church activities and social events for noble causes. As we pause to reflect on what God has accomplished in our parish community in 2022, we want to acknowledge all the members and leaders of the many ministries and organizations for their continued support in keeping Saint Augustine a vibrant worshipping community.

### Volunteering and its Surprising Benefits.

To be a church volunteer means many things to different people. It could be a way to make friends (build community), learn new skills, advance your career, and even feel happier and healthier. Perhaps it's a rewarding experience that helps you feel more connected to God. But how do you get started? It is when we recognize the "calling" and allowing the Holy Spirit to work within us that we become open to opportunities to give ourselves fully—we discover more of ourselves, our gifts and talents. For many parishioners, it was volunteering for a small part that opened up opportunities for them to become a Minister. We need to believe that the Holy Spirit will always lead us where we are needed the most. Discern today what God has planned for you and serve from your heart. ## HELP SAINT AUGUSTINE GO GREEN

### REDUCE, REUSE, RECYCLE

These three 'R' words are an important part of sustainable living, as they help to cut down on the amount of waste we have to throw away.

#### Step 1: REDUCE

Reduce the amount of waste you produce. Buy long-lasting products with minimal or no packaging to minimize the trash you generate.

#### Step 2: REUSE

Reuse items as much as you can before replacing them. Find another use for it, donate, or sell it. Bags, bottles, and boxes can be reused. Don't waste their value! **Consider using reusables instead of disposables.**

#### Step 3: RECYCLE

Recycle items wherever possible. **Separate your trash by type per City of So. San Francisco.**

#### PARISH GOALS

Help us achieve these goals:

- Comply with San Mateo Laws & Ordinances by sorting wastes smartly using the correct bins.
- Help the environment by reducing waste accumulation.
- Save money by decreasing monthly garbage service fees.
