THE MOST HOLY BODY and BLOOD OF CHRIST

Cycle A

Deuteronomy 8: 2-3, 14b-16a

Psalms 147:12-15, 19-20

21 Corinthians 10: 16-17

John 6: 51-58

This Sunday we celebrate a second solemnity during this period of Ordinary Time in the liturgical calendar. Today is the Solemnity of the Most Holy Body and Blood of Christ. This day was once called *Corpus Christi*, which is Latin for “Body of Christ.” In the revised Lectionary the name for this day is expanded to reflect more completely our Eucharistic theology.

Today’s Gospel is taken from the Gospel according to John. The reading is part of a discourse between Jesus and a crowd of Jews. The discourse comes shortly after the miracle of Jesus’ multiplication of the loaves and fishes. In John’s Gospel, miracles such as this are identified as “signs” through which people come to believe that Jesus is the Son of God. These signs are followed by dialogue, or discourse that interprets and explains the miracle. In John’s Gospel, Jesus’ multiplication of the loaves is said to have occurred near Passover, thus linking it to the Exodus story and God’s saving action toward the Israelites.

Having seen Jesus multiply the loaves and fishes, the crowd pursues him, perhaps seeking more food but also looking for another sign. Jesus tells the crowd that he is the bread of life. He explains that just as God gave the Israelites manna to sustain them in the desert, so now God has sent new manna that will give eternal life. It is in this context that Jesus repeats those words in today’s Gospel and tells them again that he is the living bread that came down from heaven.

Jesus’ words are not well understood by the crowd; they argue that Jesus is not from heaven but born of Mary and Joseph. The crowd also has trouble understanding how Jesus could give them his flesh to eat. Jesus tells them that when they eat his flesh and drink his blood, they will remain forever connected to him. These are difficult words, but they are important because they seek to show us our intimate connection with Jesus.

Siempre Adelante – Always Forward

Victory or Death brings to life in a powerful cinematic experience the inspiring true story of the Vendée uprising – ordinary men, women, and children who heroically rose to defend their faith, lands, and freedom during one of history’s darkest chapters in the French Revolution. Led by a reluctant-turned-heroic general, retired naval officer Charette de La Contrie, the story underscores the importance of preserving values worth fighting for, and poignantly portrays the courage and sacrifice required to protect them. “Sacrifice for a cause, greatness of spirit, loyalty, courage, honor...It nourishes the soul... You realize you have seen something special,” one viewer described. *Victory or Death* is based on the acclaimed French film, *Vaincre ou Mourir*, released in France in 2023. The film was enthusiastically embraced by audiences in France, performing strongly with the general public and becoming a word-of-mouth success.

The just-released English version of *Victory or Death* that premiered May 17th in the US is now [available on DVD and BluRay](#), with streaming coming soon.
