THE TWELFTH SUNDAY IN ORDINARY TIME

Cycle A

Happy Father's Day!

“So do not be afraid;
you are worth more
than many sparrows.”

Everyone who acknowledges me before
others I will acknowledge before my
heavenly Father.

MATTHEW 10:26–33

Jer 20: 10-13 | Ps 69: 8-10, 17, 33-35 | Rom 5: 12-15 | Mt 10: 26-33

Who do you fear?

In today's Gospel, Jesus tells the disciples not to fear those who may harm them for sharing the Good News. His message is clear: **proclaim God's Word with courage, and fear only the One who has power over both body and soul.**

The Lord is always with us—loving us and strengthening us. Yet Jesus also reminds us that if we deny him before others, he will deny us before the Father in heaven. But if we acknowledge him, great will be our reward.

Through Baptism, we received this call to discipleship, and each week the Eucharist strengthens us to become the Body of Christ. In a world hungry for goodness, justice, peace, and God's love, we are called to witness without fear. There is no hiding from God. He knows our hearts and minds, and even the number of hairs on our heads.

Who is the only audience of our life that truly matters? **It is God.** So, do not be afraid.

Victory or Death brings to life in a powerful cinematic experience the inspiring true story of the Vendée uprising – ordinary men, women, and children who heroically rose to defend their faith, lands, and freedom during one of history's darkest chapters in the French Revolution. Led by a reluctant-turned-heroic general, retired naval officer Charette de La Contrie, the story underscores the importance of preserving values worth fighting for, and poignantly portrays the courage and sacrifice required to protect them. "Sacrifice for a cause, greatness of spirit, loyalty, courage, honor...It nourishes the soul... You realize you have seen something special," one viewer described. **Victory or Death** is based on the acclaimed French film, *Vaincre ou Mourir*, released in France in 2023. The film was enthusiastically embraced by audiences in France, performing strongly with the general public and becoming a word-of-mouth success.

The just-released English version of **Victory or Death** that premiered May 17th in the US is now **available on DVD and BluRay** with streaming coming soon.
