THE THIRTEENTH SUNDAY IN ORDINARY TIME

Cycle A

2 Kgs 4:8-11, 14-16a Ps 89:2-3, 16-19 Rom 6:3-4, 8-11 Mt 10:37-42

"Whoever does not take up his cross and follow after me is not worthy of me. Whoever receives you receives me, and whoever receives me receives the one who sent me."

Matthew 10:38,40

This week the Lord Jesus, instructs his apostles—and us—in the ways of discipleship.

He calls us to be single-hearted with our eyes fixed firmly on his path. This means loving Christ above all others. It also means taking up our crosses and following him.

The Lord promises a rich reward to those who stay the course. Each one of us knows that at times we will stray off the path and fall into sin. Yet God is there to welcome the repentant sinner back. The final line of today's second reading is a fitting reminder to us.

We spent the entire Easter season reminding ourselves of this truth. Let us once again embrace this saying: we must think of ourselves as ***“dead to sin and living for God in Christ Jesus.”***

Victory or Death brings to life in a powerful cinematic experience the inspiring true story of the Vendée uprising – ordinary men, women, and children who heroically rose to defend their faith, lands, and freedom during one of history's darkest chapters in the French Revolution. Led by a reluctant-turned-heroic general, retired naval officer Charette de La Contrie, the story underscores the importance of preserving values worth fighting for, and poignantly portrays the courage and sacrifice required to protect them. "Sacrifice for a cause, greatness of spirit, loyalty, courage, honor...It nourishes the soul... You realize you have seen something special," one viewer described. **Victory or Death** is based on the acclaimed French film, *Vaincre ou Mourir*, released in France in 2023. The film was enthusiastically embraced by audiences in France, performing strongly with the general public and becoming a word-of-mouth success.

The just-released English version of **Victory or Death** that premiered May 17th in the US is now **available on DVD and BluRay** with streaming coming soon.
