THE FIFTEENTH SUNDAY IN ORDINARY TIME

Cycle A

Is 55:10+11 Ps 65:10-14 Rom 8:18-23 Mt 13:1-23 or 13:1-9

Hearing the word of God is the focus of the Liturgy of the Word today. Isaiah reminds us that God doesn't intend the word to come to earth and return to God empty and void. God's word is like the rain and the snow that come down to earth, making the soil fertile and fruitful. This image of God's word is a fitting backdrop to the parables we hear today and for the next several weeks. The familiar parable of the Sower and the seed is proclaimed today. The parable picks the metaphor from Isaiah's text. In the Gospel, we are compared to all kinds of soil—shallow, rocky, thorny, and rich. The journey of faith, the lifelong road of listening to God's word, can be one or all of these types of soils. Today it is clear that we must cultivate the soil so that it is rich and fertile. When the seed, the word of God, lands on this fertile soil, it has a better chance of taking root and growing to maturity.

Victory or Death

Fight for Family. Fight for Faith. Fight for Freedom.

Victory or Death brings to life in a powerful cinematic experience the inspiring true story of the Vendée uprising – ordinary men, women, and children who heroically rose to defend their faith, lands, and freedom during one of history's darkest chapters in the French Revolution. Led by a reluctant-turned-heroic general, retired naval officer Charette de La Contrie, the story underscores the importance of preserving values worth fighting for, and poignantly portrays the courage and sacrifice required to protect them. "Sacrifice for a cause, greatness of spirit, loyalty, courage, honor...It nourishes the soul... You realize you have seen something special," one viewer described. **Victory or Death** is based on the acclaimed French film, *Vaincre ou Mourir*, released in France in 2023. The film was enthusiastically embraced by audiences in France, performing strongly with the general public and becoming a word-of-mouth success.

The just-released English version of **Victory or Death** that premiered May 17th in the US is now **available on DVD and BluRay** with streaming coming soon.

Options to promote the movie through opportunities to **PAY IT FORWARD** or **HOST A SCREENING** are available on the movie's website:
