

A LETTER FROM  
FR. IFEANYICHUKWU UWABUNKEONYE

Dear St. Augustine Parishioners,

A blessed Corpus Christi. You may have probably heard about my current immigration status as a Religious worker. I am very pleased to share the good news that the Archdiocese of San Francisco has graciously offered to file the extension of my Religious Visa. With this positive development, kindly disregard any information regarding assisting me in any way. May I thank you greatly for your immense generosity, prayers and kindness.

In the meantime, let us continue to support the Archdiocese and our dear Parish with our faith and generous hearts and with the grace and help of the Holy Spirit. Amen.
