PREPARING FOR THE WALK

Begin preparing physically.
Walk a few days each week and
gradually increase your distance.

Bring plenty of water and snacks.
Sports or electrolyte drinks
are also welcome.

Wear comfortable, weather-
appropriate clothing and supportive
walking shoes (well-broken in).
Avoid excessively worn shoes
and do not wear brand-new shoes
for the first time.

You may also bring a walking stick.

Stretch before, during, and after
the walk. Be comfortable and walk
at a pace that is safe for you.

PRAYER ALONG THE CAMINO

- Four prayer and refreshment stops along the route.
- Bring your personal prayer intentions.
- You are also welcome to bring your Rosary and pray along the way (quietly or with fellow pilgrims).
- May our footsteps become a prayer as we journey together.
- We will conclude at Our Lady of Angels with a special **Franciscan blessing** by a Capuchin friar.

- After the blessing, we will celebrate our completed Camino with a BBQ picnic hosted by the Knights of Columbus.
