- **Donut Sunday hosted by the Summer SALT team on July 26th**

- The Summer Service and Leadership team helped host this past Sunday's hospitality after the 9:00 a.m. Mass. Our youth warmly greeted every person who walked into the hall and joyfully served approximately 10 dozen trays of donuts, along with seniorita bread, and coffee. They had the opportunity to connect and interact with members of our parish community. It was a wonderful experience for the youth, who had a fun and meaningful time serving and welcoming everyone who attended.

- **FIFA World Cup Watch Party**

- To celebrate the FIFA World Cup Final, one of the most anticipated sporting events in the world, members of our clergy, youth, and parish community gathered together to watch the exciting match. The event provided a wonderful opportunity for everyone to connect, share their love of soccer, and enjoy fellowship with new and old soccer fans. Throughout the game, attendees engaged in conversations about sports, teamwork, and how friendly competition has a unique way of bringing people together. Organized by our clergy, Erlan, and the Guevarra family, the watch party created a fun, energetic, and welcoming atmosphere for all who attended. It was an exciting afternoon as everyone cheered together and witnessed

Spain's victory over Argentina, making for a memorable community gathering.

- **Vespers (Evening Prayer)** continue to welcome others and lead prayer every 5pm from Monday to Friday.
 - Our schedule has been working well thus far. Through the consistency of vespers, the group has gained two new leaders.
