

## **SAYG and YA report October 2025**

### **October**

- The Service and Leadership Team (SALT) meetings have changed to 19th and 26th of the month to discuss plans for events and youth group meetings.
- St. Augustine Youth group meetings (SAYG) have started the same week as SALT meetings from 3:30-5pm.
- Planning for both the First and Second Year Retreat Teams have been meeting every week to plan for the upcoming retreats next year.
- The Monthly Youth and Young Adult Holy Hour will be held on October 15th, celebrated by Fr. Ifaeanyichukwu Henry Uwabunkeonye

### **Ecology Committee:**

- Eco Com is teaming up with the catechists to celebrate All Saints Day. Members will be distributing candy to the Faith Formation Students on 11/2 after the 12:30 mass. The Committee will do some storm drain cleaning on the church grounds immediately after, in prep for the winter/rainy season.
- Ecology Com is preparing for Simbang Gabi. We have been given permission to enlist confirmation students who need stewardship hours to help with the sorting table after each evening fellowship. We're counting on the Knights of Columbus to try their best to sort and stack after the morning fellowship to reduce our waste.
- Upcoming meeting to be held to introduce the members to SAC parishioner, Peter Kenmore, who was an agricultural entomologist at the Food and Agriculture Organization (FAO) of the United Nations. Peter would like to see how he can help support the Ecology Committee's mission to create a sustainable parish.

**Upcoming:**

- Collaboration/participation in Trunk or Treat with Education Ministry
- Ecology Adopt-A-Drain maintenance of SAC storm drains prior to rainy season
- St. Matthew Faith Formation Conference
  - November 7th and 8th
- Planning for upcoming fall fundraiser
- Fall/Winter Social
- Simbang Gabi
