The humble and faithful servant

In the Gospel, when the apostles ask Jesus to "increase our faith," he offers two lessons.

- **The mustard seed:** Jesus explains that even a tiny amount of faith, as small as a mustard seed, can accomplish incredible things, like uprooting a mulberry tree and planting it in the sea. This teaches that faith's power comes not from its size but from its divine source.
- **The dutiful servant:** Jesus then tells a parable about a master and a servant. The servant is not thanked for simply doing his duty; it is his obligation. Jesus concludes by saying, "When you have done all you have been commanded, say, 'We are unprofitable servants; we have only done what was our duty'". This challenges us to serve God humbly and without expecting praise, recognizing that our service is a response to his unconditional love.

DID YOU KNOW? AI-generated explicit images

With the rising use of AI, explicit nonconsensual images can be generated easily and without the victim's knowledge. An offender now may not even need an explicit image to work from. When threatened with explicit AI-generated images being published or distributed online, victims often succumb to demands for money, in-person meetings or worse. This can affect anyone, regardless of age or gender – but children are most at risk.

For more information, read the VIRTUS ® article “The Take It Down Act: Combating Non-Consensual Intimate Imagery and Sexual Exploitation” at lacatholics.org/did-you-know.

The Catholic Church in the United States celebrates Respect Life Month every October.

As Catholics we are called to embrace, proclaim, and defend life. Every life is precious and must be loved and protected from conception until natural death. As children of God made in his image, every person has a sanctity and dignity that cannot be diminished by illness or disability, and cannot be limited by race, age, sex, or social condition.

At St. Ambrose we are celebrating Respect Life Month with a DIAPER DRIVE.
