*Sixth Sunday of Easter*

*May 10, 2026*

Friends, in today's Gospel, Jesus promises to send the Holy Spirit to accompany his disciples. "If you love me, you will keep my commandments. And I will ask the Father, and he will give you another Advocate to be with you always, the Spirit of truth."

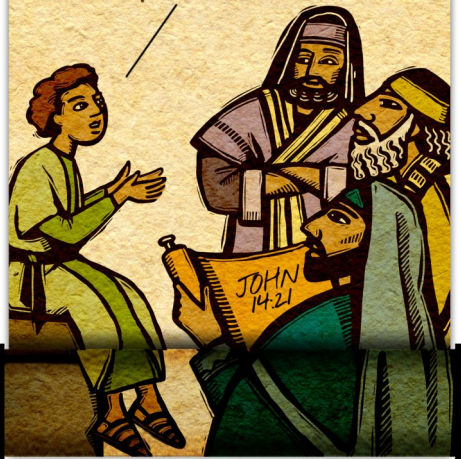

Just a moment before, Jesus had identified himself as the Truth and as, essentially, one with the Father. Thus we find in this first reference to the "Advocate," the parakletos, a fairly clear proto-Trinitarian formula. As Jesus reflects the Father's being, so this third seems to reflect the mutuality of Jesus and the Father, since both are involved in his sending.

The role of the parakletos is that of animating the Church, which Jesus, at least in the ordinary sense, is about to leave. More precisely, he will lead the followers of Jesus into the fullness of truth, maintaining a vibrant continuity with the Lord and hence with the Father:

"The Advocate, the holy Spirit that the Father will send in my name—he will teach you everything and remind you of all that I told you." Notice the densely-packed coinherence that obtains among the three, a one-in-the-otherness into which the Church itself is being invited. ~Bishop Robert Barron

#### FOSTER CARE AWARENESS MONTH

In Los Angeles County, more than 17,000 children are currently in foster care. These children and youth need the support of caring adults and families to help them heal, grow, and reach their full potential. Without consistent care and community support, many young people aging out of foster care face serious challenges, including homelessness, poverty,

trafficking, incarceration, and early parenthood.

During Foster Care Awareness Month this May, we are invited to respond to Christ's call to serve the most vulnerable by supporting foster youth and the caregivers who welcome them into their homes with love and generosity.

Whether through prayer, service, mentorship, donations, advocacy, or becoming a foster parent, there is a role for everyone to play. Together, we can make a difference in the lives of children and families in our community.

#### HOW WE LIVE OUR LIVES — AND THE ROSARY CAN CHANGE OUR TROUBLED TIMES

Archbishop José H. Gomez

I was disturbed by the latest act of political violence in our country, [the attack targeting the president](#) that took place last month in Washington, D.C. We thank God this attack was stopped by security and law enforcement.

It is sad to think that in this Jubilee Year for our country, the 250th anniversary of America's Declaration of Independence, our nation is more divided and polarized than I've ever seen it in my lifetime.

I find myself thinking a lot these days about a line from St. Augustine that I have quoted often over the years: "Bad times! Troublesome times! This is what people are saying. Let our lives be good, and the times will be good. [We make our times. Such as we are, such are the times.](#)"
