Gathering as the church

“Avoid with your whole soul that spirit of suspicion which sours some men’s lives... Suspicion makes a man a torment to himself and a spy towards others. Once begin to suspect, and causes for distrust will multiply around you, and your very suspiciousness will create the major part of them. Many a friend has been transformed into an enemy by being suspected. Do not, therefore, look about you with the eyes of mistrust, nor listen as an eavesdropper with the quick ear of fear... it would be better to be deceived a hundred times than to live a life of suspicion...”

“The church of God is not a strange organisation whose leaders are expected to serve; it is a family made up of servants, some of whom are entrusted with the privilege of leadership.”
