

Ohio High School Fastpitch Softball Coaches Association Team Academic Recognition

The Ohio High School Fastpitch Softball Coaches Association will select the Academic Teams based upon the Varsity Softball Teams' Overall GPA. In an effort to reward student-athletes that excel both in the classroom and on the softball field, the OHSFSCA would like to honor an entire team for their academic excellence. This prestigious group will represent some of the most distinguished young leaders in the state. It is a great honor for the student-athlete, the team, the coach, and the school that they represent. To be eligible for this award, the coach of the team must be a member of OHSFSCA.

For your team to be eligible for this team award, the coach must list all varsity members on the nomination form in the spaces provided. All players on the varsity team who will receive a varsity letter for the current season will be used to determine the overall GPA. The GPA that is used should be the player's GPA that she attained for the 1st semester of the school year. All GPAs used should be to three decimal places (no rounding up) and should be on a 4.0 scale. Total all individual GPAs, and divide by the number of GPAs, to get a team average GPA. Submit both the individual and team GPAs.

Please be sure to check the form to indicate whether you have used a weighted or unweighted scale. Ten teams (top 5 from weighted scale, top 5 non-weighted scale) will be recognized from all the entries throughout the state of Ohio. The top winner of both the weighted and unweighted scale will receive a plaque and a pizza party for the members of the team and coaches. The top ten teams will receive mention on our association web page. If you would like to nominate your team, please send this nomination form postmarked no later than May 1st to the address below. A high school administrator (principal, assistant principal or athletic director) and guidance counselor must verify the players' GPA and softball participation.

Only mailed entries postmarked on or before May 1st can be accepted.

NO FAXED or EMAILED entries accepted

**Due to the sensitivity of the information,
only the final team GPA will be published.**
