Re: Exhibiting your goods and services at our annual State Clinic

As the Exhibit Coordinator for our Annual State Coaches Clinic I wish to invite you to exhibit your goods and services. The 2027 clinic will be January 15-16, 2027 (Friday & Saturday) at the Hilton Columbus located adjacent to the Easton Towne Center. Our clinic is an event that typically has 700-800+ participants and is one of the largest attended softball clinics in the Midwest. Your display area is somewhere in the main hall with these 800+ customers. We are requiring a non-refundable payment per display level of your choice that will ensure your area.

*In addition to the fee, we would like a \$35.00 door prize (in goods or services) to be collected at the clinic. If \$35.00 goods or services are not convenient, please add \$35.00 to your entry.

If you need electricity

- 5A Shared Power: \$75 per day
- Dedicated 20A Circuit \$140 per day

To allow you more access to our coaches, we will again provide the opportunity to purchase our contact list for the coaches attending for \$100. We will also have speaker introductions that will get in front of our coaches for 5 minutes.

Join us for another great weekend of Softball where the coaches actually stick around, attend sessions and buy tons of items from our vendors that are present. Please send back the attached form indicating your plans concerning our clinic. More details will follow.

Thank you for your participation and I look forward to seeing you at the OHSFSCA clinic. Remember your check validates your registration. If you have questions, my phone number and email are listed below.
