How to Create an IRS Account

Follow these steps:

1. Go to the IRS website and select “Sign in to your Online Account.”
2. Click “Create an account.”
3. Enter your email address and create a password.
4. Verify your identity using a photo ID (driver’s license, passport, or state ID).
5. Take a photo (selfie) to confirm your identity.
6. Finish setting up your account and log in.

What you need:

- Email address
- Social Security Number (SSN) or ITIN
- Photo ID
- Phone or computer with a camera

Why is this important?

Having an IRS account helps you **manage your taxes in one place.**

- You can see your tax information anytime
- You can check if you owe money or are getting a refund
- You can download important documents like transcripts
- You can make payments safely online
- You can view IRS notices and updates
