My brothers and sisters in the Lord. I welcome you to our fifth issue of St. Mary's newsletter. A Few of our Favorite Things

By Monica Pittman

Merry Christmas! What a wonderful time of year this can be. Whether you celebrate with large family gatherings, or keep it small and simple, there is always something that makes Christmas memorable. Many traditions and memories are passed down through generations, and new ones are started each year and this newsletter is here to celebrate all our favorites!

The following are how some of us here at St. Mary's celebrate or remember Christmas. (In no particular order)

Kevan Grant (St. Mary's School Principal)

Favorite Tradition – *Ever since my three daughters were young, we have enjoyed homemade potato soup in bread bowls for Christmas Eve dinner. Never once has anyone eaten the entire bread bowl, but the tradition would not be the same without them. Afterwards, everyone opens their Christmas pajamas and enjoys each other's company and a holiday movie in preparation for the next day's festivities.*

Deacon Tom Dominick

Favorite Tradition – *On Christmas Eve I usually assisted as deacon, and Bobbi and our children Samantha and Matthew attended, the early Mass. Afterwards, we would enjoy a simple dinner of clam chowder and sourdough bread. After dinner I would read, in front of the fire, Luke's gospel about Jesus' birth. Then we would put up stockings and sing Christmas carols.*

A Few of our Favorite Things(Con't)

By Monica Pittman

Patty Gabica

I am one of 6 children. My mother was a stay home mom. My favorite tradition is that my parents used to save all of the silver dollars and 50 cent pieces they were given in change during the year. On Christmas Eve they took all of us to dinner at Mom's favorite Chinese/American restaurant. We could order anything we wanted; Chinese, steak, hamburgers, etc. After dinner we went home and opened presents. It was a total family evening. Some years we even all piled in the car to attend Midnight Mass.

Roxanne Harlow

Our favorite family Christmas traditions usually include a big Italian dinner on Christmas Eve. It also revolves around Italian baked goods. From Turchinelle to Ciambellone, to Viscout, to Conestrelle. For a description, call me at the office!

Monica Pittman

Favorite Tradition – As children, we were told we couldn't get up on Christmas morning until our parents said it was OK. So, we would go into our parents room and crawl into bed with them and ask "Can we get up now?" We are now all adults and if we arrive Christmas morning at my parents' house before (my Dad mostly) gets up, we will still go into their room, crawl into bed and ask if we can get up now.

Deacon Jazz (Jason Jaszowski)

Favorite Tradition: The Dice Game. One of our family's cherished Christmas traditions began when I was a child, and it continues to bring delight to this day. Each participant contributes a small, wrapped gift—something simple and inexpensive—which is placed together in a festive pile. A pair of dice and a tray are then passed around the circle. Each person takes a turn rolling, and whenever doubles appear, the player selects a gift from the pile (without opening it).

Once all the gifts have been chosen, the game grows even more lively: players may "borrow" presents from one another until the designated time concludes. At the end, everyone opens the gifts they have gathered, sharing in the joy and surprise.

This tradition has become a wonderful way to ease the anticipation of Christmas, especially for the younger children, while also fostering fellowship and laughter among all ages. It is a simple yet meaningful reminder that the season is not only about receiving, but also about gathering together in joy and community.

Lupita Martinez

Favorite Tradition: One of my favorite Christmas traditions is "Pedir Posada" (which translates as asking for lodging for the Holy family) and placing the baby Jesus in the manger. On Christmas Eve, after Mass, we sing to ask for "posada". "Pedir Posada" is a Mexican tradition. Half the family waits outside the front door of the house with candles and a representation of the Holy Family, and the other half is inside, also with candles. Those outside sing the verses asking for lodging, and those inside respond singing too until finally the door opens and we enter with the Holy Family. Then, around midnight, we say a prayer of thanksgiving, and the youngest member of the family places the baby Jesus in the manger of the Nativity scene.

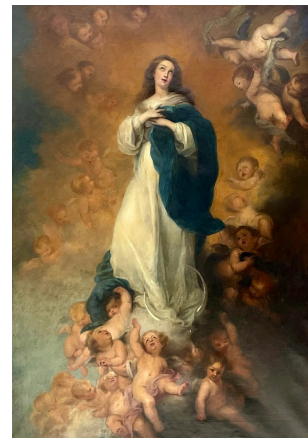

Immaculate Conception

By Monica Pittman

A Special Place to Honor Our Blessed Mother

On December 8, in celebration of the Feast of the Immaculate Conception, we joyfully unveiled a new chapel inside the church, just outside the Reconciliation Room. This sacred space is lovingly dedicated to the Immaculate Conception, and its centerpiece is a beautiful print of The Immaculate Conception of Los Venerables by Bartolomé Esteban Murillo (1660–65).

We warmly invite you to stop by, spend a few quiet moments in prayer, and reflect in the presence of our Blessed Mother. It's a peaceful place to connect with her grace and find comfort in her intercession.

Our Lady of Guadalupe

By Monica Pittman

Celebrating Our Lady of Guadalupe

Each year, our parish joyfully celebrates the Feast of Our Lady of Guadalupe on December 12 with a truly spectacular celebration. The church is transformed with beautiful decorations, creating a vibrant and reverent atmosphere that honors our Blessed Mother.

This annual celebration is more than a feast; it is a heartfelt expression of devotion and love for Our Lady of Guadalupe. From the music and prayers to the colorful adornments, every detail reflects the awe-inspiring dedication of our parish community.

We were grateful to come together as a parish in this beautiful tradition, to pray, give thanks, and experience the joy and grace of Our Lady's presence.

St. Vincent de Paul Thanksgiving Food Box Project 2025

Thank you, St. Mary's parishioners, for participating in the St. Vincent de Paul Thanksgiving Food Box Project. In this family-to-family act of charity, families share the tradition of Thanksgiving by preparing food boxes and giving them to other families in need. In financial and actual food contributions, our parish provided Thanksgiving for over 230 families this year.

Families registered to receive food at St. Vincent de Paul food pantries and at Boise and West Ada schools. 150 sets of Thanksgiving food were given to Idaho National Guard and Air Guard families. 69 families at the Marsing migrant camp received food. All members of the grandparents raising grandchildren support group received food for Thanksgiving. St. Vincent de Paul hoped to provide Thanksgiving food for about 20,000 adults and children this year. Final numbers are not yet available.

The dedicated work of our St. Mary's Knights of Columbus and Callabaros de Colon was key to the success of this effort in our parish. These men register parishioners to donate food and distribute empty boxes and shopping lists. On the Sunday before Thanksgiving, they collect the food and transport it to Expo Idaho for distribution to those families who had registered to receive it.

**Thank you
St. Mary's, for
your generosity
and willingness
to help the less
fortunate in our
community.**

St. Mary's Food Bank

By Susan Thometz

Quarterly Update from St. Mary's Food Bank

Welcome to the first edition of our quarterly update! We want everyone in our St. Mary's community to know how deeply we appreciate the unwavering support of our food bank volunteers and generosity of our parishioners. Your kindness makes it possible for us to bring hope and nourishment to our neighbors in need. You truly are the heart of our mission.

Third Quarter at a Glance

Service Summary

Month	Days Open	Families Served	Individuals Served
July	12	595	1,333
August	13	645	1,536
September	12	605	1,363

Food Purchasing & Donations

This quarter, we spent **\$17,102** to purchase food for our pantry. These funds enabled us to stock a variety of essential items, including peanut butter, milk, eggs, butter, soup, spaghetti, canned chili, macaroni and cheese, canned tuna, tomatoes, vegetables and fruits, rice, hot dogs, top ramen, and diapers.

Our purchasing needs vary each month depending on community donations and what we can source from large nonprofit pantry suppliers. Unfortunately, donations from these suppliers have declined in recent years – making community support more vital than ever.

It is your generosity that enables us to provide a welcoming and dignified space for families facing food insecurity. From the bottom of our hearts, **thank you**.

Volunteers: The Heart of Our Work

Every day we are open, **16 volunteers** assist with client check-ins, bagging fresh food, preparing non-perishable food boxes, and helping carry groceries to clients' cars.

Another **5 volunteers** pick up donated food from local grocery stores throughout the week.

We are profoundly grateful to these dedicated individuals whose time, energy, and compassion make everything we do possible.

Shout Out

A huge thanks to the Knights of Columbus, St. Mary's School, and Bishop Kelly students and families for continued support with organizing food donation campaigns this past quarter. As a result, our shelves are well stocked for the holidays!

BUILDING OUR FUTURE:

TOGETHER IN FAITH – UPDATES

December 2025

St. Mary's Catholic Community is grateful to share wonderful progress in our *Building Our Future: Together in Faith* campaign.

Over the past several weeks, more and more families have joined in supporting the renovation of our 75-year-old school and religious education building, helping us build strong momentum as we move through the public phase of the campaign.

**WE HAVE NOW SURPASSED
\$1,000,000
IN GIFTS AND PLEDGES!**

This incredible milestone reflects the generosity and faith of our parish family. Every gift and pledge brings us closer to creating a safer, more welcoming, and more functional space for our children, parish ministries, and community gatherings.

As we continue working toward our \$3 million goal, we remain focused on the essential updates our campus needs: electrical and safety improvements, new windows, modern lighting and airflow, ADA accessibility, enhanced office and meeting spaces, and a refreshed kitchen. These improvements will ensure St. Mary's remains a vibrant home for worship, learning, and community for generations to come.

Thank you for your continued prayers and participation.

Together, we are truly building our future in faith.
