WINTER STORAGE (NOVEMBER 1–APRIL 30)

STORAGE SELECTION¹¹

Wet or dry storage

Brokerage area dry storage (access to launching for sea trials and other services)

RATE

\$28.00/LOA ft.

\$30.00/LOA ft.

- All slipholders must be members of Haven Harbour Marina. Membership includes the following services and amenities: Use of all recreational amenities, picnic pavilion, gazebos and barbecue grills, swimming pool, laundry facility, heads and showers, waste pump-out system (at \$10.00/ea.), on-site dock bars and restaurants, Reception Center lounge, Waterman's Museum, dockside water, complimentary bicycle and kayak use, fitness room, discount fuel purchases, daily dock checks and storm vessel safety checks.
- Dockage fee includes (1) 30-amp electric service. Any vessel exceeding the total length of a slip will have additional length prorated based upon the given slip rate.
- Weekend and overtime rates will be charged at time and one-half. An Environmental Compliance Charge of 3%, as well as a Consumable Shop Supply Charge of 2% will be added to all service work orders. Involved sanitation system services are billed at \$150.00/hr.
- In-season power wash includes a tow to lift, haul, power wash of bottom and inspection of running gear while in slings, relaunch and return tow to slip (\$12.00). For vessels with heavyfouling, additional labor charges may apply. Power wash with blocking must be in-season with repair work done by Haven Harbour Yacht Services only \$20.00/ft. For vessels with heavy fouling, additional labor charges may apply.
- Painting of bottom includes labor for basic prep. Bottom paint and materials not included, billed separately.
- Battery and bilge check special includes check of battery water level, the plugging-in of charging system, charge for eight (8) hours, checking of bilge, pump-out of any water and adding of Camco as needed.
- Sandblasting includes ground cover, disposal of hazardous and sandblasting materials. Does not include tenting of vessel.
- Contact for estimate regarding winterization pricing.
- Dinghy rack and locker storage billed monthly on a calendar year basis. Dinghies must be kept in designated areas at all times and be tagged with owner and boat names.
- Transient dockage includes use of all marina amenities, including heads, showers, swimming pools, waste disposal services and more.
- Dry storage rates do not include the following required services: Hauling and launching, power washing, blocking and towing to/from slip (see reverse). All wet-stored vessels must have automatic bilge pumps. No electric resistance heat permitted while not on-board.
