

Kent Youth Trials Club

NEWS LETTER.

No. 1.

Hi Riders.

As this is your first news letter I would like to begin by saying if there is any item you would like to incorporate in future News Letters please send it to me at the beginning of each month.

At the committee meeting on the 26th July several items were discussed and I have picked out the items that I think you will be most interested in.

Club Badge

Mr. Moreland (committee member) has passed the order to his supplier and it is anticipated that we will be in receipt of these within two weeks. All riding members will receive one badge free, all non riding members will be able to purchase these badges from Chairman Mr. B Prior.

Last Trial Meeting

Committee Riding member Michael Moreland considered the Trial was too long owing to practise in the morning and trial in the afternoon.

The committee agreed with his observations and in future we will have practise meetings and trial meetings separately. The next trials meeting will consist of ten sections, 4 easy, 6 more difficult. At the beginning of the Trial the rider will inform the starter if he has decided to do the novice run (First four sections) or the expert run (First four sections plus the six difficult sections)

The winners at the last trial were:-

<u>Class A</u>	Stuart Wood	No marks lost.
<u>Class B</u>	Andrew Dobbs 1st	No marks lost
	Valentine Wood 2nd	One mark lost
	Stephen Simcock 3rd	Eleven marks lost

<u>Class C</u>	Patrick Challis 1st.	sixtynine marks lost

Mr. Latham of Margate very generously donated the above prizes, unfortunately although he was supposed to present the prizes to the runners, he arrived too late.

Next Trial Meeting

It was agreed that plastic badges would be purchased for members of the committee to make it easy for new members to be able to identify who's who.

First Aid

It is anticipated that as from the next practise we will have St John Ambulance personnel in attendance. When we run a trial inviting other clubs, we will have St John Ambulance and personnel in attendance.

Practise Meeting Sunday 15th August

The next practise meeting will be held at Boxley, all club members are invited.

Which will begin at 10.30 a.m. and continue until 5 p.m.

As Boxley practise ground is rather difficult to find,

Mr. Simcock is prepared to meet people who will be using

the M2 motorway until the Gillingham turn off (A278)

and he will be found in a Red Cortina at the second roundabout.

He will wait until 10.20 a.m. and then will leave.

For other riders who wish to make their own way please ring Mr. Cucknow - Medway 55309, after the 8th August. (He will be on holiday until then).

For Sale

It was decided to produce at the same time as your news letter a list of items for Club members wishing to sell, i.e. Motor bikes, helmets etc.

The Club cannot hold itself responsible for any items sold by club members that are faulty, but we feel sure that it will be a useful facility especially for boys outgrowing their bikes, helmets etc.

Any rider who would like any item added to the list please forward to:-

Bye for now
