MATTERS ARISING:

Possible support from KYTC for Graham Jarvis.

After a great deal of discussion it was felt that Graham should earn any money forthcoming from the club and if he was prepared to do a couple of training days for the boys he could earn himself a few hundred pounds. Cliff Jarvis thought that Graham would prefer to do this.

It was proposed by Bob Thompson and seconded by Roger Thompson that Graham should earn his sponsorship and that if the club should hold a charity trial it should be for the David Page Foundation, Air Ambulance, the club itself or some other worthy cause.

It was unanimously agreed that should Stuart Gilbert wish to get support and sponsorship from other clubs in the South East he should write to them personally and not use KYTC's name. Should Graham wish for further support he should contact the South Eastern Centre himself for their sponsorship.

CHAIRMAN'S REPORT:

It was agreed that the club would sponsor a section at the Eastbourne Club's Charity Trial at the end of October for the sum of £25.

The club trial on 24th October to incorporate the "Crowthorne Challenge", to be run under the normal club permit, at Owen Farm, Orpington.

Paul Bullock to be asked if he could provide his market stall cover to offer protection for Brian in case of inclement weather on the day. Nick Lampard, Chairman of the Crowthorne Club, has reported that he has had a good response from his club, but would wait until the day to see how many in each team.
