COMMITTEE MEMBERS REPORTS

MACHINE EXAMINER All bikes were checked at Brabourne and Hawkinge and all found to have chain guards fitted.

COMPETITION SECRETARY Kevin apologised for no punch cards or clippers at Brabourne. He still has late entries but doesn't feel it is too much of a problem at the moment. A provisional date for a National trial was thought to be on a Saturday in April for 'C' and 'D' while Surrey schoolboys would run 'A' and 'B' on the Sunday. Kevin mentioned a scheme discussed with John Staines of Crowthorne Club whereby a couple of Combine trials could be run each by KYTC, Crowthorne and Surrey Schoolboys. Kevin thought there ought to be provision on our trial entry form for riders to nominate an observer at our Club trials.

EDITOR Richard said that if nobody comes forward to do the magazine we would have to have just a one page newsheet with dates and important information.

SOCIAL SECRETARY Caroline was still waiting for labels for July and August trials. She suggested that maybe we should go back to the old way of engraving the trophies instead of waiting for labels. Paul thought there shouldn't really be a problem now Nigel is back from holiday. Ben Hoare still has a shield that is due back. Caroline thought that the camping weekend had gone well.

TREASURER Carol asked about practices. Richard said there was no August practice as nobody turned up.

MEMBERSHIP SECRETARY Glyn had three new members, Martin Court 'B' Class, Matthew Goodsell 'D' Class and Lee Johnson 'A' Class. Proposed by Kevin, seconded by Paul Howe. A letter has been compiled to be sent to members who need to renew their membership.

CROWTHORNE CHALLENGE Riders known to be going to the challenge are:- Rich and Ben Ely, Paul Howe, Greg Kennedy, Darrel Richards, Dean Heathfield, Chris Stoddart, Nick Dowland.

GARDEN OF ENGLAND MOTOR BIKE SHOW Paul said the show was very enjoyable and we had two new members as a direct result.

FORWARD PLANNING Richard and Paul to 'C' of 'C' at Owens Farm. November trial to be at Sheppey. The Christmas trial will be at Sturry. January trial to possibly be at Hawkinge indoors. Sheppey asked that the joint Combine with KYTC be held in June with Rakins as the venue.

ANY OTHER BUSINESS Sue asked about what qualifications are required for first aid at our trials. Carol will check to see what type of certificate we need for insurance purposes.

Meeting closed at 10.10 p.m.
Date of next meeting; Thursday October 31st.
