NEWSLETTER No 1

23rd June, 1976

First Practice Trial In spite of wet weather there was an excellent turn out for the Club's first event on Sunday, 20th June, 1976. Thanks to Stanley Wood and his family for the use of the land and for the time they spent marking out the seven sections. Only three sections were used owing to slippery conditions but all riders seemed to enjoy themselves. Apart from one family who had a previous arranged engagement, all members showed up for this first meeting. Well done !.

Club Rules Members are reminded that Club Events are held on Private Land and they can only ride on the land loaned to the Club at an officially organised Club Meeting. If anyone abuses this rule it could result in the member losing his membership and the Club losing the use of the land.
