

Feet up since 1976

Observed motorcycle trials is a skill sport where a rider manoeuvres a bike using throttle and clutch control all the while practising good balancing skills. The rider negotiates obstacles within a designated area called a section riding between coloured markers endeavouring to keep his or her feet up. The rider incurs penalties for footing or failing to fulfil other conditions.

KYTC caters for 4 to 21 year olds. Trials' riding is a truly versatile activity for the whole family to enjoy as a spectator or as a competitor.

I started riding when I was 4 years old on my battery powered bike.

The Chairman, Andy can be contacted on 07894806788.

Information at www.KYTC.co.uk. To join go to download form for ACU and club memberships then send to membership secretary.
