Bobs Bit

Welcome to the September edition of the club mag. Today we are back at Owens Farm (hopefully, every time I type this the venue changes), courtesy of the owners Mr & Mrs Holliday. This is their home so only ride where you are told.

Due to holidays and such the last trial was not very well attended so we canceled the committee meeting so not a lot to report on the up and coming events or the points situation I'm afraid, but we will catch up next month.

I will be relinquishing the job of editor as of the November edition as I only took it on for a year, if any parent out there fancies the job can you let me know as there is a bit to learn, and a photo-copier to talk nicely to. A basic typing skill would be needed or access to a word processor, also a sense of humour would be handy.

There are a number of jobs going on the committee so get it touch with Carol, come she needs all the help she can get. Brian needs to be replaced by a Treasurer and a Secretary of the Meeting both responsible positions. Its your Club so come jump to it.

Finally congratulations to the South Eastern Centre Team who went up to Bradford and finished in 3rd / 4th place. At the time of writing they were 4th 1 mark off 3rd spot with a query on the scoring that may have got them 3rd, I'm sure Carol will fill us in today on the outcome, and hopefully a report.

Practice at Broadoak

The weather was great on the 1st of August. We went to Broadoak for our August Practice. It was a good mornings practice for all.

The trial was fun as well, bad luck to Jeremy though. His throttle cable snapped and was unable to carry on. A brilliant day for Marc, he won with a score of 17.

Thank you to Tony, Lynda, Martin, Dad, and Jeremy for observing. Also thanks to Paul Bullock who gave up his Saturday to set out the trial. Thank you all for coming.

Trial Report

August Trial Report - Matfield

For once the sun has shone on us, Tony had been out and set a super trial on the Saturday despite Darryl not riding, that's dedication for you thanks Tony.

Due to it being holiday time only twenty one riders entered. The biggest class being the beginners, that's good to see.

The Expert Class had four riders for a change instead of the normal three and with David Gilbert not riding Simon Bird had a good steady ride to take the Premier.

Stevie Dunk after a poor lap and a half got his act together after a talking to by Mum to finish second. Ross & Grant riding their first expert trial rode well to finish on reasonable marks ie under a ton.

A Novice went to Ryan Chapman put in yet another solid ride to take the A Novice, Ryan is really riding well these days, a possible contender for most improved rider this year? Ian Pattinson took second only 6 marks behind with Toby Sparkes in third.

Luke Paine had it all his own way in the B Class being the only entrant! Never mind Luke that one trophy Mum won't have to buy or clean.

Matfield Trial Cont.....

Nicky Dowland on the Ex-Heathfield Fantic took the C Class though he was the only official entry ahead of Greg Kennedy & Neil Pattinson riding for no award.

D Class was very close and finally went to Adam Goodsell from Darryl Richards by 1 mark Richard Ely got third.

A couple of Beginners took heavy tumbles thankfully not serious and I hope see them back again. Ian Peck became best beginner with Chris Stoddart and Brett Baker in second and third.

The lack of number meant an early finish so Brian could get home for Bullseye.

A good day was had by all.

Cyclo Trial

Question.... How many of you lads have Cyclo Trial or BMX bikes??.

If you fancy a go at cyclo trials let one of the Thompson's know and we will see if we can get an event going.

Roger has been in conversation with Brian Matthews of the Essex Cyclo Trials Club and we are considering teaming up with them to run one.

But we need to know the interest level.

Routes will be set for complete beginners so Mums and Dads can have a go too.

The rules are very similar to motor cycle trials but we will explain nearer the day.

Hopefully we may get a demo by Stuart Matthews (British Champ) along with Martin Ashdown & Martin Hawes, Essex Clubs Elite Riders.

Lets give it a go eh!

David Page Foundation

A foundation is to be set up in the memory of 19 year old Scots trials rider David Page who died recently of leukemia.

David had ridden in Kent at our Nationals over the years as a schoolboy rider finishing second to Graham Jarvis at Sturry in their final year. The familiar site of Ernies huge camper at trials will be sadly missed, many KYTC families made good friends with the Page family.

He was showing great promise in the Yamaha Team until struck down with leukemia.

Our sympathies go out to his family and friends.

The Foundation is expected to get under way at the British world round on September 26th, it is to raise money to help young riders on their up the trials ladder. Davids 250 Yamaha will be a prize once the Foundation gets underway. I'm sure that we can come up with some ideas to raise some cash to donate to this worthy cause, a sponsored trial with no awards and maybe invite the adult clubs along say.

Please let us know if you have any ideas.
