

In April a round of the South Eastern Centre Youth Championship was held at Sturry in which Darryl Richards came 2nd in the D class with Ben Ely coming 4th. Nicky Dowland came 2nd in the C class with Jimmy Edwards coming 5th. In the B class Darryl Jeffery came 4th and in the A class David Gilbert came 2nd with Dean Heathfield 7th.

KYTC riders in the Schoolboy Nationals have yet again done the Club proud, Darryl Jeffery came 13th in the B class, Jimmy Edwards came 21st in the C class although he only did one or two trials, Ben Ely came 11th in the D class with the star rider being Darryl Richards who came 4th in the D class.

The other major event of the year was the excellent performance of South East Centre Team in the Inter Centre Team Trial at Hawkstone Park which contained several KYTC members. The A Team Contained David Gilbert and Darryl Jeffery and the team finished 2nd to Yorkshire for the 2nd year running. The B team contained Dean Heathfield, Daniel Bullock, Richard Ely and Nick Dowland who rode well enough to beat three of the A teams.

The awards evening went well although as usual it was only made viable at the last moment by lots of cajoling members into buying tickets. As there will be no SEC awards this year the awards evening format will change again and will probably be held in February or even March.

The Club is still on the look out for land although we have obtained the use of a piece of land in Hawkinge thanks to the landowners Mark and Gina who own the riding stables.

Now to the future, this Christmas the club will be holding its first ever indoor arena trial so we should at least be able to stay dry.

On the 18th February '96 we are holding a SEC Youth Round at Horne Farm Near Crowborough which is a great piece of land which everyone should have a go on. Carol started to build up rapport with adult Clubs and during the year this has continued with our riders becoming more and more respected, not just through riding skills but also through good behaviour, well done to all club members , keep up the good work!

TREASURER'S REPORT: Carol said that the Club was holding it's own financially with the business account still strong. Membership is about the same although the Awards Evening wasn't as well supported as previous years.

She advised that as we no longer had an income from the selling of food and drink from the caravan, we should endeavour to maximise revenue from our raffle ticket sales at all our Club trials.

Arrangements had been made for the disposal of the KYTC (orange) caravan and Carol light heartedly asked for bids from the meeting for the same. (No mugs forthcoming!)

NOMINATIONS: Retiring members of the Committee were:
Ann & Nigel Craig, Daniel Bullock and Colin Edwards.
Nominees were: Eric Kennedy, Paul Weight, Brian Stoddart,

All nominees were voted onto the Committee en-bloc.

The old Committee was then disbanded.

ANY OTHER BUSINESS: Kevin Ely read the letter from Jim Connor
regarding the changing of engine capacities in youth trials
which are being considered for 1996.

A form was circulated from Mr. Connor asking for comments on
these changes and to be returned to him by a certain date.

Andy Heathfield asked if the Club could consider including
the odd cyclo trial in their fixtures.

Kevin Ely asked if we have to stay with the ACU. It was
mentioned that as we are affiliated to the ACU and have to
be so to be covered on insurance we see no reason to change
in the immediate future.

Three new members were put before the Committee, Joel Bonnici,
Phillip Boniface and Lee Foster who were proposed by Carol
Dunk and seconded by Sue Dowland.

There being no further business the meeting closed at 10.10pm.
