To Whom It May Concern:

I'm writing this letter today to express how professional, courteous and an absolute pleasure it is to work with JP Painting.

JP has done both interior and exterior work for me at my home in Castle Pines Village. They recently completed a full interior paint throughout out my home of all walls and cathedral ceilings as well as woodwork and trim.

JP has also completed commercial paining for me at my restaurants with quickness and efficiency which is critical since were unable to shut down for business.

I highly recommend them for any job and will continue to use them in the future.

Sincerely,

Sean Huggard
