The prices for those items will be shown on your bill or the statement of funeral goods and services selected.

PROFESSIONAL SERVICES

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$3,095

Our charge includes consultation with the family or responsible party; staff and facilities to respond to initial requests for service; coordinating service plans with cemetery; securing official documents and necessary registrations and sheltering of the deceased. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING \$1,300

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial

PAYMENT POLICY

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Payment is expected at time of arrangements and due prior to services rendered.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

PAYMENT OPTIONS

- Cash
- Check
- Visa, MasterCard, Discover or American Express
All card payments will incur an additional 2.9% processing fee.
- Pre-paid funeral arrangements with Leavitt's Mortuary or any mortuary, subject to verification the policy is valid.
- Assignment of proceeds of a verified Life Insurance Policy
Assigning a Life Insurance Policy for payment will incur an additional fee of \$300.

Our acceptance of this mode of payment is dependent on the cooperation of the beneficiary and the insurance company. The insurance policy must be given to the funeral director for verification. We must have the Insurance Company's complete cooperation in providing information to the beneficiary, amount of the death benefit available, outstanding loans information, cooperation to get claim forms in a timely manner, and their acceptance of our written assignment. The insurance company will send the balance of any insurance proceeds directly to the beneficiary after the insurance company pays the funeral bill in full from the proceeds of the insurance policy. The purchaser must obtain a certified death certificate for each insurance policy.

Due to the complexity and time involved, we are unable to accept payment from estates.
