Dear Simon,

**RE: LAND REGISTRY PROCEDURES MANUAL**

I write with reference to the above [REDACTED]

Whilst we may need to revert on a few points in due course, the project is essentially now completed. I believe we now have a top quality product.

Please might I stress that the product is copyrighted to Lands & Survey and would respectfully, therefore, request that no circulation or publication of any or all of the material contained with the Manual occur.

Sincere thanks for your considerable efforts devoted to this project.

Yours sincerely,
