Service Experience 2026-2027

All middle school students in our CFF program must complete at least 20 hours of community service by the end of the year.

How can you achieve this? It's easy! Service hours can be earned by volunteering at your parish, which includes roles such as greeter, lector, server, recording of Mass, choir member, or participating in many other volunteer opportunities at the school or parish. Record your service hours on your paperwork, and once you have completed your 20 hours, have your parents sign it and submit the form to the Faith Formation office.
