Resident in the Vicinity of North Pickerel Lake Road Bridge
Township of Armour

Re: Notice of North Pickerel Lake Road Bridge Replacement Construction
Township of Armour Contract 2025-01

TULLOCH Engineering has been retained by the Township of Armour to administer the construction contract for the replacement of the North Pickerel Lake Road Bridge across the Magnetawan River.

HugoMB Contracting Inc. of Milton Ontario has been awarded the contract for the construction work.

On-site construction of the project is scheduled to start on May 12, 2025 and be complete by no later than September 2025.

The work to be completed generally includes removal and replacement of the bridge. The new bridge will be two lanes with pedestrian access on both sides. The road will be paved with asphalt at the bridge.

Due to the construction, North Pickerel Lake Road will be closed at the bridge. Detours will be required as a result.

Completion of this work may result in noise and dust, but measures will be put in place to minimize this. The work will also result in construction traffic. We kindly ask for your cooperation and patience in this process.

Due to the nature of the site, some rock blasting will be required. Industry standard precautions and safety measures will be implemented. Prior to any rock blasting, a representative from an inspection company will contact the immediately adjacent homeowners to ask permission to document the existing conditions at your home and property. Additional information will be provided by the inspection company. You are encouraged to make use of this precautionary service.

Hours of work are Township Noise By-Law compliant and generally expected to be 7 am to 7 pm, Monday through Friday, unless special circumstances arise.

Should you have any safety concerns or to report an urgent matter please contact the on-site HugoMB representative or the TULLOCH on-site representative. If you are not able to contact them, please call the HugoMB Office first, TULLOCH Office second, or the Township of Armour Office third if HugoMB's response is unduly delayed.

Contractor, Hugo MB Contracting Inc. (Mark Dellandrea): 905-299-1335 or 905-875-4884
Contract Administrator, TULLOCH Engineering Inc. (Ben Belfry): (705) 789-7851 (Ext.443)
Owner, Township of Armour (David Creasor): (705) 382-3332
