Subject: RE: P3011 ERP Peer Review Update

Hi Charlene,

As mentioned in our email last week, Item #7 of this peer review includes our comment on the firefighters' training document to provide 8 major items in the training document. Once further information is provided on the firefighters' training document we can continue with its review. We also provided further details on what should be included in our previously issued letter.

Please let me know if this plan works.

Best regards,
