SECTION 3: APPLICATION AND INTERPRETATION

3.1 "Scope of By-law"

(a) Lands Subject to By-law

The provisions of this By-law shall apply to all those lands lying within the Corporate limits of the Township of Armour.

(b) Conformity with By-law

No building or structure shall hereafter be erected or altered, nor shall the use of any building, structure or lot hereafter be changed, in whole or in part, except in accordance with the provisions of this By-law.

(c) Existing Uses Continued

Nothing in this By-law shall prevent use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

(d) Building Permit Issued

Nothing in this By-law shall prevent the erection or use of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Chief Building Official prior to the date of passing of this By-law, provided that:-

- (i) when the building or structure is erected, it shall be used and shall continue to be used only for the same purpose for which the said building or structure was intended when such building permit was issued; and
- (ii) the erection of such building or structure is commenced within one year of the date of passing of this By-law and is completed within six months after the erection thereof is commenced and provided such building permit has not been revoked under The Building Code Act.

(e) Compliance with Other Restrictions

In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirements adopted for the promotion of the public health, safety, convenience or general welfare. Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the most

restrictive, or the By-law imposing the higher standards shall govern and apply. Nothing in this By-law shall be construed to exempt any person from complying with the requirements of any By-law of the Municipality or from any law of the Province of Ontario or Canada.

Nothing in this By-law shall prevent the use of any land for the erection of buildings or structures, or the installation of other facilities essential to the operation of public utilities provided that any such use, building or structure shall be in compliance with the relevant provisions of this By-law.

This By-law shall not be construed to make legal any use of land, buildings or structures which was illegal and in contravention of Zoning By-law No. 3-86, as amended.

3.2 "Interpretation of By-law"

(a) Defined Areas

The extent and boundaries of all zones are shown on Schedule 'A' and all such zones are hereby defined as areas to which the provisions of this By-law shall respectively apply.

(b) Zone Boundaries

When determining the boundary of any zone as shown on any schedule forming part of this By-law, the following provisions shall apply:-

- (i) A boundary indicated as following a highway, street or lane shall be the centerline of such highway, street or lane. In the event that a street or lane which forms the boundary between such zones is closed, the boundary between such zones shall be construed as the former centreline of the said closed street or lane.
- (ii) A boundary indicated as following a right-of-way of a railway or an electrical, gas or oil transmission line shall be the centreline of such right-of-way.
- (iii) A boundary indicated as following a shoreline shall be construed as the high water mark, or in the case of a watercourse, creek or stream, the center line thereof.
- (iv) A boundary indicated as approximately following lot lines of any lot of record shown on a registered plan of subdivision or any lot created by consent or lot and concession lines shall follow such lines.

- (v) Where a boundary is indicated approximately parallel to a street line or other feature indicated in clauses (i), (ii) or (iii) of this Subsection, and the distance from such street line or other feature is not indicated and clause (iv) above is not applicable, such boundary shall be construed as being parallel to such street line or other feature, and the distance therefrom shall be determined according to the scale shown on the appropriate Schedule.
- (vi) A boundary indicated as following the limits of the Municipality shall follow such limits.
- (vii) The limit of any map comprising any Schedule forming part of this By-law shall be deemed to be the boundary of the Zone adjoining such limit.

(c) Definitions

In this By-law, unless the context requires otherwise, the definitions and interpretations set out in Section 2 hereof shall apply.

(d) Singular and Plural Words and Genders

In this By-law, unless the context requires otherwise:-

- (i) words used in the singular number include the plural;
- (ii) words used in the plural include the singular number; and
- (iii) words used in the masculine gender include the feminine.

(e) Shall is Mandatory

In this By-law, the word "shall" is mandatory.

(f) Use and Occupancy

In this By-law, unless the context requires otherwise:-

- (i) the verb "use" shall include "design to be used", "arrange to be used" and "point to be used"; and
- (ii) the verb "occupy" shall include "design to be occupied", and "permit to be occupied".

(g) Metric Measurement

All dimensions, measurements, areas, yards and setbacks are given in metric measurements in this By-law. General Imperial conversions are provided in brackets only for the assistance of the reader and do not form a part of this By-law. The metric measurements only shall be used in the legal interpretation of this By-law.

SECTION 4: SCHEDULES TO THE BY-LAW

4.1 "Part of By-law"

Schedule 'A', which is attached hereto and described in this Subsection, is hereby made a part of this By-law as fully and to all intents and purposes as though recited in full herein.

4.2 "Schedule 'A' - Zone Maps"

The extent and boundaries of all zones are set out on Schedule 'A' hereto and shall be interpreted in accordance with the provisions of Section 3.2, Clause (b).

SECTION 5: GENERAL PROVISIONS APPLICABLE IN ALL ZONES

5.1 "Accessory Uses and Buildings"

Accessory uses and buildings (excluding additional residential units) may be permitted in conjunction with the principal use of a lot subject to the following provisions:-

- (a) Shall not be utilized as a dwelling or for any gainful occupation except as may otherwise be permitted in this By-law.
- (b) Shall not be located in any required front yard or exterior side yard except as may otherwise be permitted in this By-law.
- (c) Shall not exceed 15 percent lot coverage.
- (d) Shall not exceed 7.5 metres (25 feet) in height.
- (e) Shall not be located within 1 metre (3 feet) of any rear lot line or interior side lot line except in the case of any waterfront lot where they shall not be located within 7.5 metres (25 feet) of any rear lot line. (38/2011)
- (f) Notwithstanding Subsection 5.1(b), a **detached garage** may be permitted within the required 15 metre (50 foot) front yard of a non-waterfront lot in the Rural (Ru) Zone provided it is located the greater of 7.5 metres (25 feet) from the front lot line or a 17.5 metre (58 foot) setback from the centre line of the travelled road. (42/2019)
- (g) Notwithstanding Subsections 5.1(b) and 5.1(d), a **gazebo** may be located within the required front yard of a waterfront lot subject to the following regulations:
 - (i) Minimum Setback from high water mark
3 metres (10 feet) provided any shore road allowance has been closed and purchased by the lot owner.
 - (ii) Maximum Height 4 metres (12 feet)
 - (iii) Maximum Floor Area 37 sq. metres (400 sq. feet)
(27/2016)

5.2 "Residential Units / Apartments and Garden Suites" (see also 5.8) (57/2024)

(a) Accessory to Commercial Uses

- (i) A maximum of one residential unit per commercial use excluding an automotive use shall be permitted within the principal building, but

not within any basement, and shall be subject to the following requirements: (57/2024)

MINIMUM FLOOR AREA

Bachelor Unit	40 square metres (430 sq.ft.)
One Bedroom Unit	50 square metres (540 sq.ft.)
Two Bedroom Unit	60 square metres (645 sq.ft.)
Three Bedroom Unit	70 square metres (750 sq.ft.)

- (ii) One single detached dwelling of a minimum floor area of 18.6 square metres (200 square feet) shall be permitted as an accessory use to any permitted commercial use. (12-2025)
- (iii) One parking space per residential unit shall be required on the same lot in addition to the minimum number of parking spaces required for the principal use of the lot. (57/2024)

(b) **“Additional Residential Units (ARU)”**

- (i) A second residential unit in a detached house, semi-detached house or rowhouse on a parcel of land on which residential use, other than ancillary residential use, is permitted, if all buildings and structures ancillary to the detached house, semi-detached house or rowhouse cumulatively contain no more than one residential unit;
- (ii) A third residential unit in a detached house, semi-detached house or rowhouse on a parcel of land on which residential use, other than ancillary residential use, is permitted, if no building or structure ancillary to the detached house, semi-detached house or rowhouse contains any residential units; or
- (iii) One residential unit in a building or structure ancillary to a detached house, semi-detached house or rowhouse on a parcel of land, if the detached house, semi-detached house or rowhouse contains no more than two residential units and no other building or structure ancillary to the detached house, semi-detached house or rowhouse contains any residential units. (57/2024)

(c) **“Garden Suites”**

Garden Suites shall be permitted by site specific amendment as a temporary accessory use, subject to the provisions of this Section, provided that the minimum floor area of the suite is not less than 18.6 square metres (200 square feet) and that there is not already an additional residential unit on the lot. (22-2013) (57/2024) (12-2025)

5.3 "Adult Entertainment Parlours"

No adult entertainment parlours shall be made or established except according to licensing by the Township of Armour.

5.4 "Arcades"

No arcades shall be made or established except according to licensing by the Township of Armour.

5.5 "Change of Use"

The use of any land, building or structure in the Municipality shall not be altered or changed except in compliance with the provisions of this By-law.

5.6 "Corner Lots"

On a corner lot, interior side yard requirements may be substituted for rear yard requirements.

5.7 "Derelict Motor Vehicles"

No more than two (2) motor vehicles without valid registration permits shall be stored or kept in view on any lot, except within a building or as may otherwise be permitted in this By-law.

5.8 "Residential Units Location"

- (a) No residential unit shall be located above a boathouse or a private garage except where a private garage is attached to a dwelling.
- (b) No part of any residential unit or habitable room shall be located within a basement of a non-residential building.
- (c) Nothing in this By-law shall prevent the location of a residential unit or a habitable room entirely within a basement of a residential building, provided that in the opinion of the Chief Building Official such room or residential unit meets the requirements of the Ontario Building Code.
- (d) In this By-law, the number of residential units permitted on any lot shall be contained in one building with the exception of an additional residential unit (see Section 5.2) or a rural guest sleeping cabin (see Section 6.1(f). (22-2013) (57/2024)

5.9 "Encroachment Into Yards"

Every part of any yard requirement to be provided in any zone shall be open and unobstructed by any structure from the ground to the sky, except that:-

- (a) sills, belt courses, cornices, chimney breasts, bay windows or pilasters may project into any required yard a distance of not more than 0.5 metres (2 feet);
- (b) eaves or gutters, for other than an accessory building, may project into any required yard a distance of not more than 0.5 metres (2 feet);
- (c) balconies, canopies or unenclosed porches may project into any required front or rear yard a distance of not more than 1.5 metres (5 feet);
- (d) fire escapes may project into any required side or rear yard a distance of not more than 1.5 metres (5 feet);
- (e) fences, freestanding walls, flagpoles, antennae, light standards and similar accessory structures and appurtenances, and hedges, trees and shrubs are permitted in any yard, but in the case of:-
 - (i) a residential interior lot situated in any Residential Zone, no structure, hedge or obstruction that is more than 1 metre (3 feet) in height is permitted within 3 metres (10 feet) of any street line, and
 - (ii) a residential corner lot situated in any Residential Zone, no structure, hedge or obstruction that impedes vision above a height of 1 metre (3 feet) is permitted.

5.10 "Frontage on a Street"

Except as otherwise specifically provided for in this By-law, no person shall erect or use a building or structure for permanent or full time use on any lot or parcel of land unless the lot or parcel has its front lot line on a street or road which is open year round and publicly owned and maintained. (46-2014) This provision does not apply for a woodland retreat. (63-2024)

5.11 "Group Homes"

- (a) A Group Home shall be permitted within any single detached dwelling except a cottage or a mobile home, but shall not be within one kilometre of another group home.
- (b) Only group homes licensed by the Ministry of Community and Social Services in the following categories shall be permitted: -

- (i) A bed and breakfast business in a single detached dwelling that complies with the provisions of Section 2.24.
- (j) Additional residential units subject to the provisions of Section 5.2(b). (43-2025)

5.14 "Home Industries"

Home industries will be permitted in the Rural Zone provided that:

- (a) the home industry does not create or become a public nuisance in particular in respect to noise, odours, traffic, parking, dust, vibration or interference with television or radio reception; and
- (b) the home industry shall clearly be secondary to the main rural use of the lot; and
- (c) not more than three (3) persons, excluding the owner, shall be employed in the home industry; and
- (d) not less than three (3) parking spaces shall be provided for a home industry use;
- (e) no storage of goods or material shall be permitted in any front or exterior side yard.

5.15 "Home Occupations and Home Professions"

Home occupations and home professions shall be permitted in the Rural Zone, Residential Settlement Zone and Lakeshore Residential Zone provided that:-

- (a) there is no external display or advertising other than a sign erected in accordance with the Sign By-law of the Corporation;
- (b) there shall be no external storage of goods or materials;

- (c) the home occupation shall clearly be secondary to the main residential use. It shall not change the residential character of the dwelling or create or become a public nuisance in particular with respect to excessive noise, traffic, parking, dust vibration or interference with television or radio reception: -
- (d) not more than 25% of the floor area, to a maximum of 37 square metres (400 square feet), shall be used for the home occupation and does not reduce the residential use of the dwelling floor area to less than 55 square metres (600 square feet);
- (e) not less than six parking spaces shall be provided for a medical, dental or drugless practitioner's office;
- (f) not less than three parking spaces shall be provided for home occupation uses other than those in (e) of this subsection; and
- (g) not more than one person excluding the owner is employed in the home occupation.

5.16 "Loading Space Provisions" (see Section 2.105 of this By-law)

- (a) No person shall erect or use any building or structure in any commercial or industrial zone which involves the movement of goods, merchandise, or materials unless loading spaces are provided and maintained in accordance with the following provisions:
 - (i) one loading space shall be provided for every 278 square metres (3,000 square feet) or fraction thereof of the total ground floor area, and
 - (ii) loading spaces shall have dimensions of not less than 3.6 metres (12 feet) by 15 metres (50 feet), and
 - (iii) loading spaces shall not have less than 4.6 metres (15 feet) of vertical clearance.

5.16.1 "Mobile Homes"

A mobile home may be used as a permanent dwelling on lands zoned Mobile Home Park (MHP) in accordance with the following provisions:

- (a) The mobile home is constructed to CSA Standard Z240 and located on permanent foundations, with the running gear and towing equipment removed; and
- (b) The mobile home shall have at least 18.6 square metres (200 square feet) of ground floor area and be completely enclosed from the surface of the finished grade to the roof; (12-2025) and

- (c) The mobile home shall be fully serviced with running water, electricity and sanitary sewage facilities. (28/2017)

5.17 "Multiple Zones"

Any lot which is contained in more than one (1) zone as shown on Schedule 'A' shall be subject to the restrictions of each of the respective zones.

5.18 "Non-Complying Uses - Permitted Enlargements"

Where a use, building or structure was legally established under an Armour Township Zoning By-law prior to the date of the passing of this By-law, and is permitted by the provisions of the zone in which such use, building or structure is located, but does not meet the zone provisions with respect to yards, lot area, frontage, parking, setback or any other provisions of this By-law applicable to that zone, the said building or structure shall be deemed to comply with the By-law and may be enlarged, extended, reconstructed, repaired or renovated provided that:-

- (a) The enlargement, extension, reconstruction, repair or renovation does not further reduce the compliance of that use, building or structure, with the provision(s) of the By-law to which it does not comply; and
- (b) All applicable provisions of this By-law are complied with. (36-2014)

5.19 "Non-Conforming Uses - Permitted Reconstruction" (see also Section 5.24)

Where a building or structure which was erected lawfully under an Armour Township Zoning By-law prior to the date of the passing of this By-law is used for a purpose not permitted in the zone in which it is situated, the said building or structure may be reconstructed, repaired or renovated provided that: -

- (a) The reconstruction, repair or renovation does not involve any alteration of use and the building or structure continues to be used for the same purpose; and
- (b) All other applicable provisions of this By-law are complied with. (36-2014)

5.20 "Obnoxious Uses"

No use shall be permitted within the municipality which from its nature or the materials used therein is declared to be a noxious trade, business or manufacture under The Health Protection and Promotion Act, or regulations thereunder.

5.21 "Parking Provisions" (see Sections 2.143 and 2.144 of this By-law)

- (a) Every building or structure erected, enlarged or used in accordance with the provisions of this By-law shall either be provided with the required number of

parking spaces specified hereunder or shall be exempt from the provision of parking spaces in accordance with a Site Plan Agreement with Council pursuant to Section 41 of the Planning Act.

- (b) Every parking space provided: -
 - (i) shall have access to a street or lane, and
 - (ii) shall be unobstructed by any other parking space, and
 - (iii) shall be located on the same lot on which the principal use is situated, and
 - (iv) shall be constructed of an all-weather durable surface.

(c) **Handicapped Parking**

In the case of buildings regulated by Part 5 of Ontario Regulation No. 925/75 passed pursuant to The Building Code Act, as amended, one (1) parking space for physically handicapped persons with a width of at least 3.5 metres (12 feet) shall be provided by the By-law, but not less than one (1) of the larger parking spaces shall be provided. These spaces shall be included in the calculation of the required parking. A parking space for physically handicapped persons shall be hard surfaced and level, located near and accessible to an entrance and identified for the use of physically handicapped persons by a sign consisting of the International Symbol of Accessibility for Handicapped Persons and such other graphic or written directions as are needed to indicate clearly the intended facility.

- (b) A wayside pit or wayside quarry may be permitted in any zone except any Residential Zone, Wetlands Protection Zone or Flood Plain FP Zone.

5.23 "Public Uses"

(a) Public Services

The provisions of this By-law shall not apply to the use of any lot or to the erection or use of any building or structure for purposes of the public services by the Corporation or by any local board of the Corporation as defined by The Municipal Act, any telephone or telegraph company, any natural gas distribution system operated by the Corporation or on its behalf by a company

distributing gas to the residents of the Corporation and possessing all the necessary powers, rights, licenses and franchise, any department of the Government of Ontario, including Hydro One, any use permitted under The Railway Act or any other Statute of Ontario or Canada governing railway operations, including tracks, spurs and other railway facilities provided that where such lot, building or structure is located in any zone:-

- (i) no goods, material or equipment shall be stored in the open, except as permitted in such zone;
- (ii) any Zone Provisions of the zone within which the use is located shall be complied with except as otherwise provided in paragraph (b);
- (iii) any above ground non-recreational use carried on under the authority of this paragraph in a Residential Zone shall be enclosed in a building designed, located and maintained in general harmony with Residential buildings of the type permitted in such zone.

(b) Streets and Installations

Nothing in this By-law shall prevent land to be used as a street or prevent the installation of a watermain, sanitary sewer main, storm sewer main, gas main, pipe line or overhead or underground hydro, telephone or other supply line or communication line provided that the location of such main or line has been approved by the Corporation.

5.24 "Replacement of Dwellings Due to Damage" (see also Section 5.19)

A dwelling may be replaced with a new dwelling in the case of partial or complete destruction caused by fire, lightening, explosion, tempest, flood or act of God, or demolition by order of the Municipality, the Ministry of Environment or other authority for safety, health or sanitation requirements, provided that:-

- (a) the new dwelling complies with all the requirements for dwellings and the floor area of the new dwelling is not less than 18.6 square metres (200 square feet), (12-2025) and
- (b) where a dwelling is located in the flood plain, it is reconstructed with the same ground floor area and in such a manner that it can be flood proofed and does not increase the potential for flooding impacts upon other properties. (See also Section 11.4 and Exception No. FP-48)

5.24.1 "Shipping Containers" (26/2017)

Shipping containers are permitted in the Rural (Ru), Commercial (C), Recreational Commercial (RC), Rural Industrial (M), and Industrial Extractive (MX) Zones provided that:

- (a) Shipping containers all require a building permit and shall only be permitted as an accessory use on a lot where a principal use already exists;
- (b) Unless stated elsewhere in this By-law, shipping containers are only permitted for accessory storage purposes, based on lot area at a rate of one (1) shipping container per 0.4ha (1 ac.) or part thereof to a maximum of four (4). In no case is a shipping container permitted on a lot having an area of less than 0.4ha (1 ac.);
- (c) No shipping container shall be used for human habitation, home industry or any occupation or business;
- (d) Any change of use or exterior finishes for a shipping container shall require a building permit and site plan control under Section 41 of the Planning Act;
- (e) No shipping container shall exceed a height of 3m (10 ft.) or a total length of 16.76m (55 ft.);
- (f) A shipping container shall only be located in the rear yard and shall be located no closer than 30m (98 ft.) to any street line;
- (g) A shipping container is permitted in the driveway of a residential property for the purpose of temporary loading or unloading of household items during the process of moving and for a period not exceeding five (5) days. Such temporary shipping containers shall not exceed a maximum height of 3.0 m (10 ft.) and a maximum length of 6.1m (20 ft.). And no temporary shipping container shall encroach onto a public sidewalk or locate closer than 0.3m (1 ft.) from the curb or shoulder in situations where no sidewalk exists, and no shipping container shall create a site line obstruction;
- (h) A shipping container shall be screened from view from the street and abutting properties and shall not encroach into any required landscaping buffer;
- (i) A shipping container shall be included in all calculations for the purpose of determining maximum lot coverage;
- (j) A shipping container shall not be located in a required parking area;
- (k) A shipping container shall not be placed for the purpose of display or advertising;
- (l) A shipping container shall not be used for the purpose of a commercial

storage facility;

- (m) A shipping container is permitted on a construction site being developed for a single structure or as a plan of subdivision/condo for temporary storage of equipment and materials incidental to construction only, and for a temporary period not to exceed one year.

5.25 "Sight Triangles" (Daylighting Triangle)

On a corner lot within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 10 metres (30 feet) measured along the street line from the point of intersection of the street lines, no building, structure or planting which would obstruct the vision of motor vehicles shall be erected. Such triangular space may hereinafter be called a "daylighting triangle".

Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be in the intersection of the projection of the street lines or the intersection of the tangents to the street lines.

5.26 "Sign Provisions"

Signs within the Municipality are subject to the provisions of any sign by-law of the Municipality pursuant to the provisions of The Municipal Act.

5.27 "Swimming Pools"

Notwithstanding anything contained in this By-law, a swimming pool is permitted as an accessory use in the side or rear yard of any zone provided no part of any pool is located closer to any side or rear lot line than 2 metres (6 feet) and every swimming pool shall be enclosed by a fence of at least 2 metres (6 feet) in height equipped with any gate capable of being locked and located at a distance of not less than 1 metre (3 feet) and not more than 10 metres (30 feet) from the pool.

5.28 "Temporary Uses - Construction Equipment"

Notwithstanding any other provisions of this By-law, uses such as a construction camp, work camp, tool shed, scaffold or other building or structure incidental to construction are permitted in any zone provided that:-

- (a) such uses, buildings or structures are used only as long as are reasonably necessary for work in progress which has neither been finished nor abandoned or a period of one year whichever is the lesser;
- (b) such uses, buildings or structures are removed when the work permitted is terminated.

5.29 "Temporary Uses - Human Habitation"

In the Residential Settlement (RS), Rural (Ru), Lakeshore Residential (LR), or Seasonal Residential (SR) Zones, a trailer or park model trailer equipped with toilet facilities including an approved sewage holding tank may be used for temporary human habitation provided that:

- (a) During the construction of a dwelling on a lot, the trailer or park model trailer is located on the same lot as the dwelling under construction, and complies with the setback provisions for the zone in which the lot is located and:
 - (i) A license is obtained from the Township in accordance with the Trailer Licensing By-law; and
 - (ii) The trailer or park model trailer shall be removed from the premises upon completion of the dwelling within 60 days of the discontinuance of construction; and
 - (iii) A maximum of one trailer or park model trailer is permitted on the same lot.
- (b) It may be used seasonally on an existing vacant lot, provided such trailer or park model trailer has a current license issued in accordance with the Township's Trailer Licensing By-law. Such structure shall cease to be used for human habitation upon expiry of the license.
- (c) It may be used for the occasional accommodation of guests provided that a detached dwelling exists on the same property.
- (d) In addition, tents or marquees are permitted for children's play, picnics, weddings, family reunions, or other similar private functions. (27/2017)

5.30 "TransCanada Pipe Lines"

- (a) Notwithstanding any other provisions of this By-law, no structures shall be located within 10 metres (30 feet) of any lands owned by the TransCanada Pipe Lines.
- (b) TransCanada Pipe Lines is regulated by the National Energy Board Act, Section 112, which requires that anyone excavating with power-operated equipment or explosives within 30 metres (100 feet) of the pipeline right-of-way must obtain leave from the National Energy Board before commencing any work.

5.31 "Truck, Bus and Coach Bodies"

Notwithstanding anything contained in this By-law, no truck, bus, coach, street car

body, recreational vehicle or structure of any kind, other than a dwelling unit erected and used in accordance with this and all other by-laws of the Municipality, shall be used for human habitation, whether or not the same is mounted on wheels or other form of mounting or foundation.

5.32 "Undersized Lots of Record and Road Widening Issues" (By-law No. 29/12)

- (a) Where a lot of record having a lesser lot area and/or lot frontage than that required herein is held under distinct and separate ownership from abutting lots as shown by a registered conveyance in the records of the Land Registry Office at the date of the passing of this By-law, such smaller lot may be used and a building or structure may be erected, altered or used on such smaller lot, provided that all other requirements of this By-law are complied with.
 - (i) Nothing herein shall prevent a lot of record with lesser lot area and/or frontage than required in this By-law from being increased in size provided that such increase does not in any way further reduce the compliance with any other provisions of this By-law. Where the resulting enlarged lot continues to have undersized frontage and/or area, the relief, status and rights bestowed by Section 5.32(a) shall continue to apply. (4/2017)
- (b) Where the dedication of land for road widening purposes creates a new lot containing non-conforming setbacks for existing buildings or structures as required by this By-law, the new setbacks shall be deemed to conform with the minimum yard provisions applicable herein.
- (c) Where the dedication of land for road widening purposes results in a new lot with undersized frontage and/or area as required by the provisions of this By-law, such smaller lot may be used and a building or structure may be erected, altered or used on such smaller lot, provided that all other requirements of this By-law are complied with.

5.33 "Railway Sight Distances"

Notwithstanding anything contained in this By-law, where any public street crosses a railway at the same grade, no building or structure shall be erected within 46 metres (150 feet) of the point of intersection of the centre line of both the railway and the street.

5.34 "Provincial Highways No. 11 and No. 520"

- (a) Access to provincial highways is restricted and permits must be obtained from the Ministry of Transportation prior to any construction; and
- (b) All signs and buildings adjacent to provincial highways require Ministry of Transportation permits prior to construction; and

- (c) Minimum yards for any lot abutting Provincial Highways No. 11 and No. 520 shall be prescribed by the Ministry of Transportation on a lot by lot basis, but in no case shall a yard abutting such highway property be less than 7.5m (25 feet) for residential uses or 14m (46 feet) for commercial, industrial or institutional uses.

5.35 "Yard Sales or Garage Sales"

No more than three yard or garage sales per annum may be conducted at one location and no such sale shall exceed three days in duration.

5.36 "Cannabis"

- (a) For the purposes of this By-law, a licensed medical marijuana facility, or a licensed cannabis production facility are prohibited uses in all zones except as otherwise permitted through a Zoning By-law Amendment. (22/2019); and
- (b) No person, other than a person who is authorized to do so under Part 2 of the **Cannabis Regulations (SOR/2018-144)** under the **Cannabis Act and the Controlled Drugs and Substances Act** (Canada), shall use any residential premises, indoors or outdoors, including accessory secondary dwelling units or apartments, for the growing of more than four (4) cannabis plants. (32/2018); and
- (c) For the purposes of this By-law, the Health Canada application #10-MM0630 in process for a Medical Marijuana Facility at 59 North Pickerel Lake Road shall be subject only to an amendment to remove the holding symbol "H" as required under Section 36 of the **Planning Act**. (32/2018)

5.37 "Multiple Sewage Disposal Systems Per Lot" (35-2025)

- (a) More than one septic tank, leaching bed or bio-filter sewage treatment system is permitted on any property where the defined lot area is one (1) hectare (2.5 acres) or more, and is located above any high water mark, flood plain or wetland protection area on the lot. (see also Definitions Section 2.111 "Lot Area"); and
- (b) Existing sewage disposal systems shall be decommissioned before any new system is permitted on the same lot if the defined lot area is less than one (1) hectare (2.5 acres).

SECTION 6: RURAL Ru ZONE

6.1 "Permitted Uses"

- a) Agricultural uses, including all livestock uses, aerodromes, commercial greenhouses, farm greenhouses, home professions, bed and breakfast businesses, home occupations and home industries including small sawmills;
- b) One single detached dwelling in conjunction with and on the same lot as an agricultural operation; (28/2017)
- c) One single detached dwelling (new or existing) on one non-agricultural lot; home occupations, home professions, and bed and breakfast businesses;
- d)

SECTION 11: FLOOD PLAIN FP ZONE

Lands zoned Flood Plain FP are zoned to include the beds of all navigable waterways, all Crown lakebeds and lands seasonally inundated by water to the furthest landward limit of the high water mark or the regulatory flood elevation (whichever is the greater) as measured by an Ontario Land Surveyor. This by-law, however, shall not be effective to reduce, override or mitigate any restrictions lawfully imposed by the Ministry of Northern Development, Mines, Natural Resources & Forestry under the authority of the Public Lands Act. (12/2023)

11.1 "Permitted Uses"

- (a) Any dwelling or other buildings, structures or uses located on a lot on the effective date of this By-law (see also Exception FP-48).
- (b) Docks, boathouses, saunas, detached garages, gazebos, detached decks, pumphouses and structures for flood or erosion control.
- (c) Recreational and resource management uses.
- (d) Conservation or forestry uses.

11.2 "Zone Requirements"

- (a) All lot and yard requirements for existing uses shall remain as existing on the date of passing of this By-law.
- (b) A barn or stable shall not be located closer than 152 metres (500 feet) from the normal high water mark of a navigable waterway.
- (c) Boathouses, saunas and pumphouses shall not be located closer than 1 metre (3 feet) from the normal high water mark of a navigable waterway.
- (d) Dwellings and cottages erected after the passage of this By-law by special Exception FP-49 shall not be located closer than 30 metres (100 feet) from the normal high water mark of a navigable waterway. (See also Section 11.4).
- (e) All new sewage disposal systems connected to new dwellings, cottages or guest sleeping cabins or to additions, alterations or to the reconstruction of the same buildings on the same building footprints, shall not be located closer than 30 metres (100 feet) from the normal high water mark of any navigable waterway. (31/2021)

11.3 "Shore Road Allowances"

The zone requirements provided for in Subsection 11.2 may include all or a portion of any

original shore road allowance that has not been opened by the Township.

11.4 "Flood Proofing Elevations for Dwelling Unit and Building Openings"

In addition to the provisions of Subsection 11.2(d), any replacement, restoration, reconstruction or new residential buildings permitted by this By-law shall be floodproofed to and not have a building opening lower than the Regulatory Flood Elevation, as specified in this By-law. Accordingly, no building permits shall be issued for such works until floodproofing plans have been approved by the Township of Armour, assisted by the Ministry of Natural Resources & Forestry. Floodproofing in excess of 1.0 metre (3 feet) shall require plans prepared and approved by a qualified professional engineer.

11.5 "Zone Exceptions – Minimum Waterfront Yards"

Notwithstanding the provisions of Sections 9.2(d) and 9.4(a) Zone Requirements for Waterfront Cottages and Guest Sleeping Cabins in the Seasonal Residential (SR) Zone; and Sections 10.2(d) and 10.5(a) Zone Requirements for Waterfront Dwellings and Cottages and Guest Sleeping Cabins in the Lakeshore Residential (LR) Zone:

- (a) For any new or relocated dwelling, cottage or guest sleeping cabin which cannot be saved by the exceptions granted in Section 19 FP-48 or FP-49, and which cannot meet the required 30 metre minimum setback from the normal high water mark on any lot zoned Seasonal Residential (SR) Zone or Lakeshore Residential (LR) Zone, the minimum front yard and exterior side yard provisions are hereby allowed to be at an elevation not lower than where the undisturbed natural ground level of the lot is higher than the normal high water mark by the following amounts as established by an Ontario Land Surveyor:
 - (i) Little Doe Lake 2.81m (9.2 ft)
 - (ii) Pickerel Lake and all other lakes 1.8m (6 ft)
- (b) Section 11.5(a) shall not apply to any sewage disposal systems or sewage plumbing not located in a building or structure. All such new or reconstructed disposal systems shall be located a minimum of 30 metres (100 feet) from the normal high water mark of any navigable waterway as established by an Ontario Land Surveyor. (31/2021)
