The Commissioners have been told by the Bishop on the advice of his Diocesan Mission and Pastoral Committee that the rationale behind the diocesan proposals is as follows:

These proposals have come forward at the request of the parish. For many years now the parish has struggled to keep a congregation and committee going for St James, Wigmore. There have been a number of issues, including its location, access (the road and footpath both presenting challenges), its size (which makes

it very difficult to heat), and the fact that it's grade I listed, which rules out a lot of options for change. The PCC has therefore been asking whether there is a better way of doing things, which will ensure the continued pastoral care of the people of Wigmore, with a continued presence of the people of the church in the community and school, but without the challenges presented by responsibility for the building. The PCC believes that the preservation of the historic building now requires it to be managed by another body. The hope is that this could be achieved with

arrangements being made for occasional special services to be held each year.

Publication of this draft Scheme by the Commissioners does not mean that we have taken a view on the merits of the diocesan case. We have a duty to publish draft Schemes based on diocesan proposals.

If we receive representations against the draft Scheme, we will send all representations, both for and against, to the Bishop whose views will be sought. Individual representors will then receive copies of our correspondence with the Bishop (including copies of all the representations) and they may comment further in writing to us in light of the diocesan response if they so wish.

If there are no representations against the draft Scheme, we will make the Scheme and arrange for it to be brought into effect.

This Scheme, if implemented, would have the effect of closing Saint James church, Wigmore for regular public worship and vesting it in the Hereford Diocesan Board of Finance for care and maintenance pending a decision on its future. Any such decision would be the subject of a second Scheme, called a Pastoral (Church Buildings Disposal) Scheme, which would be prepared and published by the Church Commissioners, and with regard to which an opportunity would be given for representations to be made. In terms of implementing this Pastoral Church Buildings Scheme subject to the consideration of any representations, the Commissioners will need to be satisfied that all aspects of title relating to the church, including access and any rights of way, are in order before they make the Scheme. Banns of marriage may not be called nor marriages solemnized in the church from the date of closure.
