NT School Survey 2024
6–23 August

YOUR VOICE MATTERS

The annual School Survey is an opportunity to share your experiences with your school and its education services. Responses are used to celebrate success and identify opportunities for improvement.

It's confidential, easy to access and takes around 10 minutes to complete. The Student Survey is intended for years 5-12.

Please contact your school to access the School Survey.

NORTHERN TERRITORY GOVERNMENT

Dear Carers and Parents,

We've had a busy start to term, with Pyjama Day a huge hit last Friday. Next Friday we will celebrate Book Week at assembly so please come and join us at Acacia Hill for our Book Week parade. The theme for 2024 is "Reading is Magic" and we are looking forward to lots of magical costumes and heaps of fun relating to reading.

This week we have introduced a new digital sign in process for visitors and students. This has been a work in progress for some time and we hope to streamline the sign in/out process for our families. It is the same system as most schools in Alice Springs however any new process can present a period of teething issues, so I appreciate your patience during this initial trial while we fine tune the process. Please don't hesitate to ask reception staff for assistance if required.

The annual School Survey is an opportunity to share your experiences with your child's school and its education services. Responses are used to celebrate success and identify opportunities for improvement. It's confidential,

easy to access and takes around 10 minutes to complete. The Student Survey is intended for years 5-12 and staff will assist students at Acacia Hill School. Parents are invited to complete the survey here: https://forms.office.com/pages/responsepage.aspx?id=-_bfatEalUu7j6yMD08ad_h92j8CO3pMq6Z0XDzQBxRUMIITMFY2RFpHSzdKVEVUUK9CMUVFV1RTRy4u

The survey will be available until 23rd August. Hard copies are available at school reception if you are unable to access the link.

Please be reminded that we have members of our staff and student community who are anaphylactic to nuts. Please consider alternatives for your child's lunch and refrain from sending nut products to school. This includes some muesli bars, Nutella and peanut butter sandwiches. I appreciate your attention to maintaining a safe school environment.

As we approach the final phase of the school year, plans have begun to formally celebrate student successes. This includes creative performances and senior graduation in September. It is an exciting time for families and an opportunity to showcase the great achievements of students. We will keep you informed of progress.

Our School Council meeting today has been postponed until Thursday 15th August. All members of our school community are invited so please come and join us!

Kind regards,

NDIS Therapists

Please be reminded that NDIS providers must hold a current certificate of NDIS registration to apply for a NDIS service in NT Government schools.

The Larapinta satellite class have been very busy! Last week, we participated in two days of Larapinta Sports Day including shot put, discus, javelin, high jump, racing and relay races. This week we have been learning about capacity and using a lot of different containers to explore what holds more or less and measuring in milliliters.
