WEEK 10 TERM 4

11 Dec 2025

Dear Parents and Carers,

Here we are, at the end of an amazing school year! I am really proud of our staff team and our students that we have come right to the end of Term 4 with a calm, positive, learning atmosphere, right across the school. Thank you, too, our parents and carers, for all your involvement, support and interactions with Acacia this year.

Today, you will receive your child's Semester 2 report. These are our first reports from the GradeXpert system, which we began using this year. I hope you like the format! A big thanks to Joel Hohn and Mel Insch for all their work in learning the system, trouble shooting and supporting staff, and thank you teachers for being very patient and supportive of the changeover!

An important thing you need to know is that **there is a change in the startup date for students next year**. There will now be two staff professional development days at the beginning of Term 1, so students will commence on Thursday, 29<sup>th</sup> January (NOT Wednesday 28<sup>th</sup> January as was the previous plan). There is a 2026 NT DET calendar included in this newsletter for you to refer to. During the additional staff professional development day, all staff in NT government schools will undertake a day of training in explicit instruction, which is an essential part of effective teaching. Explicit instruction is a cluster of teaching strategies such as differentiating and sequencing of content according to the prior knowledge and ability of learners, chunking and spacing of content to match limits of a learner's working memory, gradual release of responsibility (I do, we do, you do), spaced, varied and repeated practice to consolidate learning in the long-term memory, and teaching connections between ideas. Another form of teaching is inquiry teaching, where students construct meaning of their world based on their experiences in the environment. Teaching as an art and science involves both explicit instruction and inquiry teaching, but explicit instruction, especially in the early part of a learning sequence, is essential to effective learning.

In this newsletter, you will find information about activities which are happening in Alice Springs for young people over the Christmas holidays. I hope you are all able to have some happy, safe and relaxing time with your whole family over the Christmas break.

I look forward to working together again in the new year!

Kindest regards and best wishes,

Julie

### DATES COMING UP

- Thursday 11<sup>th</sup> December – last day of Term 4 for students
- Friday 12<sup>th</sup> December – last day of Term 4 for staff
- 27<sup>th</sup> and 28<sup>th</sup> January 2026 - Staff Professional Development Days
- Thursday 29<sup>th</sup> January 2026 – Students return

## ARTS CLASS

This term in Art, students explored the theme “Things That Move” and “Celebrations Around the World.” They experimented with creative techniques such as muddy truck painting, pendulum art, and spinning top splatter designs to learn about motion and forces. Later, they celebrated cultural diversity through projects like festive collages, woven Christmas trees, and step-by-step Christmas themed drawings. These activities encouraged fine motor skills, sensory engagement, and imaginative expression while fostering respect for different traditions and joy in creating art.

## DROP IN TO YOUR LIBRARY!

Make sure to borrow  
your holiday reading  
before December 20!

**Holiday hours:**

The Library will close  
1pm, Saturday 20  
December and reopen  
Friday 2 January.

## DOUBLE LOANS, DOUBLE TIME!

You know your usual  
borrowing limit? Well  
for all of December,

you can borrow twice  
that amount, and  
keep everything for  
twice as long!

Load up on books, CDs,  
magazines, DVDs and  
eBooks, and enjoy  
them a little longer  
this holidays. Happy  
reading!

## SUMMER READING CLUB!

Get reading this summer for your chance to win great prizes! It's free to join and a fun way to keep reading over the holidays.

Sign up at the Library to get your free Summer Reading Club Pack.

Then just log the hours you read – books, eBooks, audiobooks, comics, magazines – all reading counts, online or offline!

Join the reading fun!

- Register at the Library and grab your Summer Reading Club Pack
- Track your reading on your SRC bookmark
- Every 5 hours of reading = an entry into the prize draws
- Keep collecting new bookmarks and keep reading.

Weekly Prize Draws

Winners announced every week – check the Library website for details.

Major Prize Draw

We'll draw the major prize winner 4:30pm, Friday 23 January @ the Library.

Winners announced in all four categories – Adult, Youth, Primary and Preschool. You must be present to win so don't miss out!

And remember, if you need a hand, the legendary Alice Springs Public Library team is always happy to help you get started!

BACK TO SCHOOL SOON...

But the fun doesn't stop!

The Library's regular programs run **all year round** - we'd love to see you there!

Plus, keep an eye on the Alice Springs Town Council website for this term's latest **after-school youth program** info.

Check our our website for more details:
