

Hope Lives Here Presents The 8th Annual Hope for Our Heroes Gala

WITH SPECIAL GUEST SPEAKER
SSG TRAVIS MILLS

On April 10, 2012, United States Army Staff Sergeant Travis Mills of the 82nd Airborne was critically injured on his third tour of duty in Afghanistan by an IED (improvised explosive device). As a result of the blast Travis suffered the loss of both arms and both legs. He is one of only five quadruple amputees from the wars in Iraq and Afghanistan. Enduring a grueling rehabilitation program, Travis committed himself not only to recovery, but to fatherhood and to giving back to the Veteran community any way he could.

In September 2013, Travis and his wife Kelsey founded the Travis Mills Foundation, a nonprofit organization formed to benefit and assist post 9/11 Veterans who have been injured in active duty or as a result of their service to our nation. Critical to the foundation's mission is for the Veteran's family to be included, not just the Vet. Through the foundation, the Veteran and their family receive an all-inclusive, all - expenses paid, barrier - free vacation to Maine where they spend time with Travis and his family, and participate in adaptive activities, bond with other Veteran families, and enjoy much needed rest and relaxation in Maine's great outdoors.
