## ADULTS | SUNDAYS 9:00AM

### The Acts of the Apostles

We will study how the Word went forth to the four corners of the world. This will largely be done by looking at what Jesus “continued to do”, through the preaching of the apostles, the impact of the resurrection and the gift of the Spirit.

LOCATION: Conf. Rm. LEADERS: Blaise Congeni/Dave Kohlmeier

### Revelation: Where are We Going? (cont. from 2022)

John’s account of his vision of the last days records a revealing of the ultimate truth about our world. Regardless of our politics or anyone’s world view, there is truth about our existence that is shown to us through some incredible and impossible imagery. We will find there is hope in this world after-all!

LOCATION: Fellowship Hall LEADER: Pastor Jim Gau

### God pursues us, even as we flee (January 7th, 6 weeks)

There are a number of people in the Bible who were runaways. Their circumstance, what they were running from and why, might just mirror your life. In this study, we will consider Adam & Eve,, Jonah, Moses, John Mark, two prodigal sons and Gomer. Grow in your understanding of how escapism affects our lives.

LOCATION: Chapel LEADER: Pastor Stephens
