## OUTDOORS & MOTORSPORTS

PACIFIC NORTHWEST REGION

2025 ANNUAL REPORT

# DEAR MINISTRY PARTNERS

---

What an amazing year of impact for PNW FCA Outdoors & Motorsports (O&M) ministry 2025 has been! God's spirit is on the move, working through this ministry, and blessing it through the prayers, encouragement, and support from all of you. We are so grateful for your belief and investment in this ministry!

Over the course of my 8 years serving with FCA I have witness the Holy Spirit do many astounding things, but rarely have I been awed like I was this year as God opened doors to opportunities in spaces I had previously only dreamed of and prayed for. God once again demonstrated His faithfulness and that in His perfect timing doors would open and lives would be saved.

**“In their hearts humans plan their course, but the Lord establishes their steps.” ~ Proverbs 16:9**

Since assuming the position of Director of Outdoors and Motorsport ministries, there were several sports spaces I felt strongly that we needed to find ways to minister in. Two of those spaces opened to us in 2025.

Shooting sports have been on the rise in the PNW especially post COVID. In Woodland Washington two student athletes active in the high school FCA multi-sport huddle thought it would be a great idea to bring the gospel and ministries of FCA to their Trap shooting team and competitions. With the full support of their coaches Jason and Kelley Hathaway, the first ever PNW FCA trap shooting huddle was established. Be sure to look at pages 18 for pictures and testimonies from folks involved with this ministry effort.

Equestrian sports are big in our world. The passion for horses and the various competitive disciplines involving them make the equestrian space a huge mission field around the PNW. Through a God ordained connection, FCA burst onto the landscape of equine sports in what turned out to be a big way. Please be sure and read more about that on pages 12 - 17.

In addition to inaugurating new ministries, God continues to impact the lives of coaches and athletes (and all those they influence) in previously established ministry efforts.

The archery ministries in southern Idaho are thriving as our Outdoors Area Rep Bill Bar continues to lead and host archery teams and tournaments, even becoming the official host for the Idaho State Archery Championships.

Our Willamette Valley Oregon, fly fishing ministry effort has grown and is

ministering to coaches, athletes, ministers, missionaries and FCA donors through that sport with a focus on shepherding the shepherds, filling up the tanks of those that spend their energies pouring into others.

Our Motorsports ministry continues to have impact across the region as we celebrated the milestone of our 5<sup>th</sup> year of motocross as a part the Idaho Multi-sport camp. Still the only sports camp in THE WORLD to offer motocross alongside traditional scholastic sports. Read more on Pages 9 - 11.

2025 witnessed the second annual FCA Upland Bird hunt. A 3-day Ministry Partner focused event held on the Lagerquist homestead in the remote Montana locale of Westby, just a few miles from the North Dakota and Canadian borders. FCA financial partners from across the PNW got to experience first rate wild upland bird hunting as well as being ministered to by FCA staff. This event is open to anyone currently or may be interested in partnering with us in ministry. See page 20

Not only did the O&M ministry grow in ministry opportunities in 2025 but we were blessed to onboard new staff as well. One incredible volunteer, Kaitlynn Donald, has officially transitioned to staff member, becoming my new administrative assistant. Other new FCA staff serving in the O&M environments include, Sydney Holmes, and Nathan Teel.

2025 also marked the establishment of the PNW FCA O&M board. With Jeff Dunn serving as Board Chair. (see board Bio's on page 8) We are looking to expand our board. Please consider join our board.

What follows is a comprehensive report of the many exciting things your generosity and faithfulness have made possible this past year, as well as a vision of what we believe God is calling us to in 2026.

Everything you'll read in the following pages – highlights, accomplishments, impact numbers, quotes, anecdotes – tells the story of disciples making disciples - "the win" of FCA as Matthew 28:19 become a reality in the lives of coaches and athletes across the Pacific Northwest and beyond.

Thank you for your investment, your prayers, and your engagement. We're so blessed to have you on this journey with us.

God Bless,  
Your teammate in the advancement of God's kingdom,

# ABOUT FCA

## FCA VISION

To see the world transformed by Jesus Christ through the influence of coaches and athletes.

## FCA MISSION

To lead **EVERY** coach and athlete into a growing relationship with Jesus Christ and His church.

## 2025 THEME

**GLORY**  
2 COR 3:18

EVERY means Every...  
every coach, every athlete,  
every age, every ability,  
every activity, every sport,  
everywhere in the world!

"We all, with unveiled faces, are looking as in a mirror at the glory of the Lord and are being transformed into the same image from glory to glory; this is from the Lord who is the Spirit."

~2 Corinthians 3:18

## OUR CORE VALUES

### INTEGRITY

Proverbs 11:3

We will demonstrate Christ-like wholeness, privately and publicly.

### SERVING

John 13:1-17

We will model Jesus' example of service.

### EXCELLENCE

Colossians 3:23-24

We will honor and glorify God in all we do.

### TEAMWORK

Philippians 2:1-4

We will express our unity in Christ in all our relationships.

## DIRECTOR'S BIO

### RANDY HUTCHINS

Growing up in a rural logging community in the eastern Willamette Valley/western Cascade Mountains of Oregon, I was blessed to experience many sports and activities. My family were avid outdoorsmen, and we pursued hunting like an obsession. It was much more than a hobby, in fact, it was the primary source of protein in our diet. We also enjoyed powers ports, and I started riding dirt bikes at a pretty young age. As I grew up and got involved with “traditional” sports in school, I was blessed with some success through high school and college, which led to a long career in coaching.

I was raised by very faithful Christian parents, and from an early age the idea was impressed upon me that being a disciple of Jesus meant that we were charged with sharing his gospel and discipling others into a personal relationship with Him. So, after nearly 30 years of coaching and 20 plus years in youth ministry, I was led in 2018 to join FCA where my 2 vocations merged. Then in 2022, as FCA entered the “Era of Every”, expanding its efforts and began to pursue coaches and athletes in other sports environments previously outside our focus. I was called to undertake the challenge of starting here in the Pacific Northwest (OR, WA, ID, MT, and AK) the new ministry environments of Outdoors and Motor sports. It was God revealing to me how He never misses an opportunity to use all the passions and experiences He has given us to reach others and bring glory to himself. Now, no matter if it's a traditional scholastic sport like football or “nontraditional” sports like archery or rodeo, God is opening doors for FCA to accomplish our vision of seeing the world transformed by Jesus through the influence of coaches and athletes

# BOARD

## JEFF DUNN (BOARD CHAIR)

Jeff lives in Salem, Oregon with his high school sweetheart (now wife), and their 4 teenage children. They enjoy family time, hunting and fishing, basketball and golf. Jeff's desire is to use every pursuit to glorify Christ, and FCA's platform is perfectly aligned with his passion for sports and the outdoors. He's excited to see what the Lord does with and through FCA in the Pacific Northwest, and is honored to be a part of it!

## LEVI DESHAW

Born and raised in Silverton, Oregon, I loved playing all kinds of sports and they were a central part of what I did during my formidable years. Another central part of my childhood and into adulthood, has been the great outdoors. I spent loads of time hunting and fishing in both eastern and western Oregon with both grandfathers, my father, my brother, cousins and many friends. FCA allows both kids and adults the opportunity to learn about (Or go deeper with) The Lord through activities they enjoy and excel at. FCA PNW Outdoors and motorsports, combines my passion for the Lord, sports, and the outdoors which is why I joined as board member in 2025.

## LINDA HUTCHINS

I'm blessed to call Central Oregon home, where I've lived for nearly 10 years after growing up near Lebanon and Sweet Home. I work as a Data Analyst for the Crook County School District and am grateful for my two adult kids who love Jesus, along with wonderful son- and daughter-in-law and a new granddaughter. I enjoy hunting, motorsports, fishing, and crafting, and I've volunteered with FCA for the past six years. I attend Powell Butte Christian Church and am excited to serve on the Outdoors and Motorsports board to help people grow in their relationship with Jesus Christ.

## HISTORY

Back in 2021 as the world was still in the grips of the Covid pandemic. The executive leadership team for the NW Multi Sport camp in Nampa Idaho decided to try something never successfully done before. What started as an experiment has turned into a one-of-a-kind triumph and continues to thrive 5 years later.

Adding motocross to the line-up of sports offered at a typical FCA multi-sport camp was an idea met with much apprehension and skepticism. Adding a nontraditional sport to a traditional scholastic sports camp brought many logistical challenges as well as cultural dilemmas as the blending of nontraditional athletes with traditional scholastic athletes and merging of what is often a much different populace was of great concern. Plus tasking an old basketball coach to direct and lead this division of camp many saw as maybe not the best idea. God however was in control, and He brought exactly the right people to make it work. Local retired professional AMA Motocross/Supercross athlete Ben Evans and Kyle Gills, and former AMA Motocross and Supercross Champion Trey Canard to coach; Local EMT April Binford to lead our medical/trauma team, and numerous volunteers like Jerad & Jennifer Mooney to help with what seemed like an insurmountable number of roles to fill ie. flagging, mechanics, etc. But without a doubt the most significant individual to get on board and make this experiment a reality was Craig Shoemaker founder and at the time, CEO of Fly Racing, who's generosity and passion to see the gospel advanced in the sport really made it all come together. God has used Craig and every volunteer to make what many thought impossible not only a reality but a thriving success.

The model established by this camp has opened the door for many other camps to add nontraditional sports to their offerings and FCA's "Era of EVERY" was launched. Hundreds of athletes have now been exposed to the discipleship effort of FCA, and dozens of athletes have made decisions for Christ as a result.

5 years later the NW Multi sport camp in Nampa Idaho is still the world's only sports camp that blends moto and traditional sports.

# MINISTRY CHAMPIONS PERSPECTIVES

A friend told me FCA Motocross needed a dedicated medical presence, and as an Advanced EMT with a sports medicine background—and a mom to kids who race motorcycles—I felt right at home. Motocross is a big part of our family, so serving at camp felt like a natural fit. I stepped in the first year and have returned every summer since, willingly giving one week each year in hopes of making a difference in even one child's life.

Volunteering at FCA has grounded me in what truly matters. It has strengthened my walk with God, deepened my relationships, and challenged me daily through Scripture and devotionals. I love caring for riders at every level, praying over them as they take to the track, and being fully present during one of the busiest seasons of life. FCA has also deeply impacted my family—my kids have attended camp as riders, served as leaders, and gained mentors who continue to guide them into adulthood.

I keep coming back because I see the power of a safe, Christ-centered environment where kids get to do what they love. Watching both returning campers and first-time riders grow in confidence, feel valued, and experience God's love is a powerful reminder of why this camp matters. Motocross is a unique sport, and seeing young athletes connect their faith with their passion is incredibly rewarding. FCA has blessed our family in countless ways, and we are grateful to continue supporting it however we can.

MX CAMP MEDICAL TEAM  
LEAD & MINISTRY  
PARTNER

"For nearly eight years, I've had the privilege of running alongside FCA—first in the public schools and now in the motocross world.

I volunteer, serve, and give because I've seen lives truly transformed through sports. In the schools, or on the track, students and athletes are encountering Jesus in a real way, stepping into a new life, and being born again.

FCA uses the platform of sports to teach character, faith, and hope, and being part of that mission helping others experience God's life changing grace is something I'm all about partnering with!"

## LUKE DONALD

MX VOLUNTEER & MINISTRY  
PARTNER

We first heard of FCA through our son's football coach and heard there would be a motocross portion in 2021. Combining Jesus and dirt bikes sounded amazing, so we signed our kids up! After realizing how far away it was, we asked if there was a way for us to just stay and watch. We were immediately hooked and wanted to help out more! We also feel that this is a way for us to serve the Lord and we've kept coming back even after our kids are no longer campers because we love bringing Jesus into a sport that sometimes doesn't have much exposure to Him! Our kids have also evolved from being campers to coaches!

# MINISTRY CHAMPIONS PERSPECTIVES

“I am inspired by FCA’s dedication to helping coaches and athletes grow in faith, character, and leadership. My son’s involvement in FCA during high school showed me the positive impact this organization has on young people. I continue to support FCA because I believe in its mission and the meaningful difference it makes in their walk with Christ.

**Tina Balch**  
MINISTRY PARTNER

As a Christian coach, I believe in FCA’s vision of sharing the gospel with athletes in every possible sport. I know Jesus is faithfully lifted up at weekly Huddle meetings, and also at the various camps FCA hosts throughout the year. Finally, I support the organization because I know how sincere FCA leaders are to follow the Lord’s direction as they work to positively change the lives of young athletes by introducing them to a Savior who desires to know them in a meaningful and personal way.

**2025 TEAM**

**18 2025 SALT LEADERS**

The Woodland Youth Sports Clay Target Team started our FCA huddle last year and we're so excited for the ways that God continues to work through and impact our students and the team. Each week, our four team leaders facilitate a huddle before practice. We've watched this student-group grow from just a handful of students to include a majority of our team, often close to 20 of our athletes.

One of the greatest opportunities FCA has provided us with is a way for our students to share their faith with our clay target community. We regularly travel to tournaments around the Pacific Northwest, and our students hold prayer huddles before the events begin. Our leaders seek out the other teams and invite them to join them, and it's been so exciting to see this prayer group grow. At our first two tournaments of the year, the prayer huddles included athletes from at least four other teams.

Our next goal is to encourage fellow teams in our organization to begin their own FCA groups to help their athletes not only share their sport, but also their love of Jesus.

## **FCA'S FIRST REINED COW HORSE CAMP, THE LARGEST FCA EQUESTRIAN EVENT EVER**

In June, Pacific Northwest FCA hosted the first ever Reined Cow Horse Camp. Held in Powell Butte, Oregon, this groundbreaking event brought together 70 athletes from middle school, high school and college, for what became the largest equine event FCA has ever undertaken worldwide.

Over the course of the camp, participants received the elite level instruction in three disciplines of the National Reined Cow Horse Association (NRCHA). Cutting, reining, and fence work. What made the experience even more extraordinary was the lineup of clinicians, including five of the most accomplished names in the sport, Chris Dawson, Jake Telford, Sarah Dawson (the top female in the NRCHA) Nick Dowers and former World's Greatest Horseman, Shane Stefan., along with up and comers ,Jimmy VanBelle and Flint Lee.

What truly sets this event apart wasn't just the instruction or the impressive logistics, which included over 110 horses, 150 head of cattle, and more than 60 volunteers. It was the way the gospel was shared, modeled by leaders, and responded to by participants. Our clinicians brought their expertise and deep spiritual vulnerability with some sharing how Jesus had ridden with them through victories, failures, injuries and championships.

Their humble, faithful testimonies opened hearts and created room for transformation. Over the course of the camp 7 individuals made first time decisions for Christ, including one of the clinicians, who, at the final Chapel, shared how he had been walking through a season of deep discouragement and hopelessness. But during the week, God met him in a powerful way. Surrounded by grace and the truth of the gospel, his heart was renewed and filled with hope. He shared that he had been delivered from a plan to commit suicide. His story moved everyone in attendance and inspired 10 more athletes to give their hearts to Christ.

“This was the most challenging undertaking I’ve ever attempted in my role with FCA. But in the end, God showed up as He always does. Lives were changed, hearts were healed, and eternal destinies were transformed.” Randy Hutchins

What happened in the arena will be remembered far beyond the cattle, the clinicians or the competition. Jesus was present, and the ripple effect is just beginning. We have been asked to not only hold this event each year but also to launch more in this sport around the country. And, we have been asked to have a ministry presences at all of the NRCHA National competitions around the US. Plus the Idaho Reined Cow Horse Association is adding chapel services to their shows (competitions) as a direct result of the impact this camp had on a camper.

## CLINICIAN'S CORNER

### JIMMY VAN BELLE

**The Holy Spirit encountered Jimmy at camp and led to powerful deliverance from lifelong struggles.**

At the final chapel, in front of the entire camp, Jimmy felt led to share his story and how Christ had delivered him while at camp this week. It was so powerful, 10 more kids gave their lives to Jesus after hearing his story and the work God is doing in his heart.

“

**“I came to camp because I thought my name being seen alongside some of the biggest in our industry, would be good for business: but it turned out to be so much more!”**

**“Hearing my colleagues share was great, but the response from the kids had the biggest impact on me - watching them open up and take part in chapel inspired me. I wanted whatever they had.”**

Jimmy Van Belle

”

Jimmy is now learning to lead his family in the ways of a follower of Jesus. He felt led to share his story to hopefully impact others, but in the end, it has served to help him.

Jimmy has gone on to share his testimony at a show in Idaho. Only the second time he's ever publicly talked about his battle with and miraculous deliverance from his plan to commit suicide.

# Camp Testimonies

"I APPRECIATED THE QUALITY CLINICIANS, I ENJOYED THE BALANCE OF HAVING THE PASTOR SPEAK AND USING THE CLINICIANS TO RELATE REAL LIFE EXPERIENCES IN THE COW HORSE AND IN LIFE TO THEIR WALK WITH FAITH."

"I ENJOYED MEETING NEW FRIENDS AND GETTING CLOSER TO GOD."

"I REALLY LIKED THE CHAPEL SESSIONS. THEY WERE VERY MEANINGFUL AND I COULD FEEL THE HOLY SPIRIT WITH US! VERY GRATEFUL!"

THE CAMP WASN'T JUST ABOUT HORSEMANSHIP EXCELLENCE; IT BECAME A POWERFUL SPIRITUAL ENCOUNTER. THE CLINICIANS SHARED OPENLY HOW THEIR FAITH IN JESUS CHRIST GUIDED THEM THROUGH THE UPS AND DOWNS OF THEIR PROFESSIONAL JOURNEYS.

"MY FAVORITE PARTS OF CAMP WERE CLINICAL SESSIONS. BUT I ALSO LOVED ALL THE FRIENDSHIPS I MADE AND STRENGTHENED. I ALSO ENJOYED HOW MANY DIFFERENT PEOPLE WE MET. WE WERE STALLED, RIDING, AND IN HUDDLES WITH ALL DIFFERENT PEOPLE. WE ALL MET SO MANY PEOPLE."

The first FCA Reined Cow Horse camp was an amazing opportunity to glorify God with fellow NRCHA riders. It's easy to praise God when you're winning, but the real lessons come from our losses and the hours you spend working towards your goals. Sharing the belief in His plan whether you win or lose with fellow Christian athletes was the highlight of the camp.

The theme for the camp was Glory, which is so important in athletes' lives. It is easy to turn our focus onto winning, but remembering to take a step back and look at the bigger picture, His picture, is the best thing we can do. One of the things that I shared at camp was a saying that I like to apply when I ride and that is, Audience of One (AO1). I like reciting this because it reminds me to turn my focus onto the Lord, that I am riding for Him and no one else. The Lord places so many opportunities and instills a talent in every single one of us. So let us honor that by giving glory to Him, and being a lighthouse of His love in all that we do. For me, seeing the light of the Lord and perspective shift was such a fun thing to see and to be a part of a ministry that is sharing His glory. It was a beautiful and wonderful experience, not only for watching faith grow but the learning opportunities that came with being on a horse.

Since the camp, I have returned to my college equestrian team and have started a team Bible study that focuses on giving Glory to the Lord and how we can take the experiences and opportunities He gives us out in the ring to turn that into honoring Him. The study has grown as the year has progressed and I do believe that it has helped shift some of my teammates' perspectives into honoring the Lord in what we do. We could not do it without Him.

# 2ND ANNUAL MONTANA UPLAND BIRD HUNT

In October we held our second annual ministry partner upland bird hunt in remote Westby MT. The focus of our time is to engage more deeply with our donors and minister to their hearts while giving them a taste of the way we minister through sport throughout the year.

FCA staff from around the PNW region are encourage to invite existing or prospective ministry partners to join us for some amazing Hunting and fantastic fellowship. Our prayer is that by engaging with the ministry through this event Donors hearts will be filled and they will go grow in their relationship with Jesus and possibly increase their involvement with the ministry in their area.

This event is open to anyone, and is a fantastic opportunity for volunteers, staff, and board members to invite people they feel led to engage with FCA. Many staff auction off spots for this hunt as a fundraising effort. if interested in joining us please contact Randy.
