Help the Jerri Savuto Girl Centers in Kenya!

The Jerri Savuto Girls Centers in Kenya provide a safe place for girls to stay and attend school. The girls might otherwise be cut and forced to marry a man their grandfather's age who already has multiple wives. They know what their life could look like, and they are so very thankful to have a chance for a better one.

United Women in Faith of the Horizon Texas Conference UMC is working closely with the Centers to help provide things that are needed like “adopting” the girls, security fencing, kitchens, library/study areas, etc. A group from the Conference will be traveling to Kenya this summer and will take various small gifts to all the girls. They have 88 girls at the moment, but they continue to grow the number of girls being served, so I'm thinking we plan for 100! The two items they suggested to me are Chapsticks/Burts Bees lip balm and ladies' handkerchiefs. (They don't have Kleenex available!) If you would like to contribute either of these items, we will have a tub set up for collecting them through mid-May. I will gladly get all the items we collect to the right place.

Thank you!

Message from Youth Ministry

Dear Church Family,

After much prayer and reflection, I have decided to step away from youth ministry. It has been a true honor to serve and lead our youth for 4 of the past 5 years as a volunteer. However, with my full-time work schedule, I feel it is important to dedicate more time to my family on weekends.

My final Sunday to serve will be May 17th. Pastor Jenna and the Leadership Board have already prepared a plan to ensure the continued growth and support of the youth group.

Thank you for your encouragement and for the love you've shown our students. I will deeply miss engaging with the students each week and will always cherish the relationships we've built together.

Love and blessings,
Jenn Smith
