Monday 24<sup>th</sup> November 2025

Dear Parents and Carers,

We are writing to you today to address an increasingly serious concern regarding unsafe parking around the school during morning drop-off and home time. The safety of our children is always our highest priority, and we need your support to ensure that our school environment remains safe for everyone.

Recently, we have had an increasing number of residents complaining and we have noticed a number of parents parking in areas that are not allowed. We would like to remind all families that:

- No vehicles should be parked on the school drive at any time. This is a direct violation of the Home School Agreement.
- Parents must not park on the yellow zig-zag lines outside the school. These markings are there to protect children by keeping visibility clear.
- Please do not park across residents' driveways or block access to nearby homes.

Our staff have been doing their best to monitor parking and speak with drivers when concerns arise. Unfortunately, some individuals have not been willing to cooperate, which puts children at risk.

To help address this issue, we have contacted our local PCSO and the council, who will be supporting us in ensuring safer parking practices. However, we cannot do this alone—we need your help.

We would like to invite parents and carers to join a Parking Patrol Volunteer Team. If you can spare even one or two mornings or afternoons a week, your support would make a tremendous difference in keeping our school drive and local roads safe for all children.

If you are interested in volunteering, please contact the school office.

Thank you for your cooperation, understanding, and continued commitment to the safety of our school community.

Kind regards

Mrs Knight  
Head Teacher
