May 15th – 16th	City Wide Clean Up (15 th 8 am – 4 pm & 16 th 8 am – 12 pm)

City Clerk

I am pleased to announce the City of Miller has hired Keri Snyder as the new City Clerk. Keri will begin March 2, 2026. You will still see Charity as she will be training Keri in her new position. Please welcome Keri to our city family!

Update: In last month's newsletter, there was information provided on when the "Office of Inspector" was created for the building inspector. The end of January first of Feb, I was reading minutes from the 60s and discovered the City of Miller had building codes then. It's amazing the little nuggets you find when researching for specific information. 😊

Please check with City Hall prior to beginning any project. Remember, every project requires a permit, but not every permit requires a fee.

Spring is coming! With Spring right around the corner with warmer temperatures, we are also heading into severe thunderstorm / tornado season. When the tornado siren is activated, the FEMA shelter at the high school is open to the public. There will be a blue flashing light signaling the entrance to the building (east side of the school). Go in those doors and walk down the hall to the room on the left (Music room). Remember to be weather aware!

CDBG (Community Development Block Grant) – The City of Miller has been invited to apply for a grant. Reminder, being invited to apply does not guarantee being awarded funds. We will continue to keep you updated as information becomes available.

If you have any questions, comments or concerns please contact City Hall at 417-452-3371.

After hours water / sewer emergencies only 417-205-5006.
